CONSENT AGREEMENT AND FINAL ORDER

Preliminary Statement

The U.S. Environmental Protection Agency, Region 7 (“EPA” or “Complainant”), and Optimum Real Estate Management LLC d/b/a Artisan Management Group (“Respondent”) have agreed to a settlement of this action before the filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits, 40 C.F.R. §§ 22.13(b) and 22.18(b)(2).

Jurisdiction

1. This proceeding is an administrative action for the assessment of civil penalties initiated pursuant to Section 16(a) of the Toxic Substances Control Act (“TSCA”), 15 U.S.C. § 2615(a).

Parties

2. Complainant is the Director of the Enforcement and Compliance Assurance Division, Region 7, as duly delegated by the Administrator of EPA.

3. Respondent is Optimum Real Estate Management LLC d/b/a Artisan Management Group a limited liability company active under the laws of the state of Iowa and Missouri.

Statutory and Regulatory Background

4. Congress passed the Residential Lead-Based Paint Hazard Reduction Act of 1992 (the “Act”), 42 U.S.C. §§ 4851 to 4856, to address the need to control exposure to lead-based paint hazards. One of the stated purposes of the Act is to implement a broad program to reduce lead-based paint hazards in the Nation’s housing stock. 42 U.S.C. § 4851a(2). The Act amended

TSCA by adding *Title IV—Lead Exposure Reduction*, Sections 401 to 412, 15 U.S.C. §§ 2681 to 2692.

5. Section 402 of TSCA, 15 U.S.C. § 2682, requires that the Administrator of EPA promulgate regulations governing the training and certification of individuals and contractors engaged in lead-based paint activities, including renovation of target housing. Section 406 of TSCA, 15 U.S.C. § 2686, requires that the Administrator of EPA promulgate regulations requiring persons who perform for compensation a renovation of target housing to provide a lead hazard information pamphlet to the owner and occupant prior to commencing the renovation. Section 407 of TSCA, 15 U.S.C. § 2687, requires that the regulations promulgated pursuant to TSCA include recordkeeping and reporting requirements to insure effective implementation.

6. Pursuant to Section 402(a) of TSCA, 15 U.S.C. § 2682(a), the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart L, *Lead Based Paint Activities*. See Lead; Requirements for Lead-Based Paint Activities in Target Housing and Child-Occupied Facilities, 61 Fed. Reg. 45778, 45813 (Aug. 29, 1996). Pursuant to Section 406(b) and Section 407 of TSCA, 15 U.S.C. § 2686(b) and 2687, the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart E, *Residential Property Renovation*. See Lead; Requirements for Hazard Education Before Renovation of Target Housing, 63 Fed. Reg. 29908, 29919 (June 1, 1998). Finally, pursuant to Section 402(c)(3) of TSCA, 15 U.S.C. § 2682(c)(3), the EPA amended and re-codified regulations at 40 C.F.R. Part 745, Subparts E and L, and added additional regulations at 40 C.F.R. Subpart L (“Renovation, Repair, and Painting Rule”). See Lead; Renovation, Repair, and Painting Program, 73 Fed. Reg. 21692, 21758 (Mar. 31, 2008).

7. The regulations set forth at 40 C.F.R. Part 745, Subpart E, *Residential Property Renovation*, including the Renovation, Repair, and Painting Rule, require that owners and occupants of target housing and child-occupied facilities receive information on lead-based paint hazards before renovations begin, establish work practice standards for renovations that disturb painted surfaces in target housing and child-occupied facilities and requires that firms and individuals performing, offering, or claiming to perform such renovations are properly trained and obtain EPA certification.

8. The requirements set forth in the regulations at 40 C.F.R. Part 745, Subpart E, *Residential Property Renovation*, apply to all renovations performed for compensation in target housing and child-occupied facilities, unless otherwise excluded as set forth in 40 C.F.R. § 745.82.

9. The regulation at 40 C.F.R. § 745.83 defines “renovation” as the modification of any existing structure, or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an abatement as defined by 40 C.F.R. § 745.223. The term renovation includes, but is not limited to, the removal, modification, or repair of painted surfaces or painted components (e.g., modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping, or other such activities that may generate paint dust)); the removal of building components (e.g., walls, ceilings, plumbing, windows); weatherization projects (e.g., cutting holes in painted surfaces to install blown-in

insulation or to gain access to attics, planing thresholds to install weather stripping); and interim controls that disturb painted surfaces.

10. Section 401(17) of TSCA, 15 U.S.C. § 2681(17), defines “target housing” as any housing constructed prior to 1978, except housing for the elderly or persons with disabilities or any zero-bedroom dwelling (unless any child who is less than six years of age resides or is expected to reside in such housing).

11. The regulation at 40 C.F.R. § 745.83 defines “firm” as a company, partnership, corporation, sole proprietorship or individual doing business, association, or other business entity; a Federal, State, Tribal, or local government agency; or a nonprofit organization.

12. The regulation at 40 C.F.R. § 745.83 defines “person” as any natural or judicial person including any individual, corporation, partnership, or association; any Indian Tribe, State, or political subdivision thereof; any interstate body; and any department, agency, or instrumentality of the Federal Government.

13. The regulation at 40 C.F.R. § 745.87(a) provides that failure or refusal to comply with any provision of 40 C.F.R. Part 745, Subpart E, is a violation of Section 409 of TSCA, 15 U.S.C. § 2689. Section 409 of TSCA, 15 U.S.C. § 2689, provides that it shall be unlawful for any person to fail to comply with, *inter alia*, any provision of 40 C.F.R. Part 745, Subpart E.

14. Section 16(a) of TSCA, 15 U.S.C. § 2615(a), as amended, and 40 C.F.R. § 745.87(d), authorize a civil penalty of not more than \$37,500 per day for violations of Section 409 of TSCA, 15 U.S.C. § 2689. The Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015, 28 U.S.C. § 2461, and implementing regulations at 40 C.F.R. Part 19, increased these statutory maximum penalties to \$49,772 for violations that occur after November 2, 2015, and for which penalties are assessed on or after January 8, 2025.

General Factual Allegations

15. On or about April 30, 2024, and pursuant to Section 11 of TSCA, 15 U.S.C. § 2610, representatives of the EPA conducted a records inspection at 2121 Central Street in Kansas City, Missouri to evaluate Respondent’s compliance with TSCA and the requirements of the Renovation, Repair, and Painting Rule (“EPA inspection”). A copy of the inspection report was mailed to Respondent on June 11, 2024.

16. Respondent is, and at all times referred to herein was doing business in the state of Missouri under the registered fictitious name Artisan Management Group (AMG).

17. Respondent, at all times referred to herein, was a “person” and “firm” as defined by 40 C.F.R. § 745.83.

18. At the time of the EPA inspection, and at all times relevant to this Consent Agreement and Final Order, Respondent was engaged in “renovations” as defined by 40 C.F.R. § 745.83.

19. At all times relevant to this Consent Agreement and Final Order, Respondent's renovations were "renovations for compensation" per 40 C.F.R. § 745.82(a).

20. At all times relevant to this Consent Agreement and Final Order, the following property ("Property") was "target housing" as defined by Section 401(17) of TSCA, 15 U.S.C. § 2681(17):

Artisan Lofts Stuart Hall Building 2121 Central Street Kansas City,
Missouri 64108. This property was constructed in 1910.

21. As a result of the EPA inspection and additional information obtained by the agency, Complainant has determined that violations of the Renovation, Repair, and Painting Rule, 40 C.F.R. Part 745, Subpart E, and Section 409 of TSCA, 15 U.S.C. § 2689, occurred as a result of Respondent's renovation activities at the Property.

Allegations of Violation

22. Complainant hereby states and alleges that Respondent has violated TSCA and federal regulations promulgated thereunder as follows:

Count 1

23. The facts stated in Paragraphs 15 through 21 above are herein incorporated.

24. Pursuant to 40 C.F.R. § 745.89(a)(1), firms that perform renovations for compensation must apply to EPA for certification to perform renovations. With certain exceptions not relevant here, 40 C.F.R. § 745.81(a)(2)(ii) prohibits firms from performing, offering, or claiming to perform renovations without certification from EPA in target housing or child-occupied facilities.

25. The EPA inspection revealed that Respondent failed to apply for and obtain EPA certification prior to commencing the renovation for compensation on the Property.

26. Respondent's failure to apply to the EPA for certification pursuant to 40 C.F.R. § 745.89(a)(1) prior to performance of the renovation on the Property is a violation of 40 C.F.R. § 745.81(a)(2)(ii). Therefore, under 40 C.F.R. § 745.87(a), Respondent violated Section 409 of TSCA, 15 U.S.C. § 2689.

Count 2

27. The facts stated in Paragraphs 15 through 21 above are herein incorporated.

28. Pursuant to 40 C.F.R. § 745.89(d)(2), firms performing renovations must ensure that a certified renovator is assigned to each renovation performed by the firm and discharges all the certified renovator responsibilities identified in 40 C.F.R. § 745.90.

29. The EPA inspection revealed that Respondent failed to assign a certified renovator to the renovation performed at the Property.

30. Respondent's failure to assign a certified renovator to the renovation at the Property is a violation of 40 C.F.R. § 745.89(d)(2). Respondent, therefore, violated Section 409 of TSCA, 15 U.S.C. § 2689.

Count 3

31. The facts stated in Paragraphs 15 through 21 above are herein incorporated.

32. Pursuant to 40 C.F.R. § 745.84(b)(2), no more than 60 days before beginning renovation activities in common areas of multi-unit target housing, the firm performing the renovation must notify in writing, or ensure written notification of, each unit of the multi-family housing or post informational signs describing the general nature and locations of the planned renovation activities; the expected starting and ending dates; and information on how the occupants can obtain/review the pamphlet and a copy of the records required by § 745.86(c) and (d).

33. The EPA inspection revealed that Respondent failed to ensure written notification of each unit of the multi-family housing or post informational signs with the information as required by 40 C.F.R. § 745.84(b)(2).

34. Respondent's failure to ensure written notification of each unit of the multi-family housing or post informational signs is a violation of 40 C.F.R. § 745.84(b)(2). Respondent, therefore, violated Section 409 of TSCA, 15 U.S.C. § 2689.

Count 4

35. The facts stated in Paragraphs 15 through 21 above are herein incorporated.

36. Pursuant to 40 C.F.R. § 745.84(a)(1), no more than sixty (60) days before beginning renovation activities in any residential dwelling unit of target housing, the firm performing the renovation must provide the owner of the unit with the EPA pamphlet titled *Renovate Right: Important Lead Hazard Information for Families, Child Care Providers and Schools*.

37. The EPA inspection revealed that Respondent failed to provide the pamphlet to the owner of the Property.

38. Respondent's failure to provide the pamphlet to the owner of the Property is a violation of 40 C.F.R. § 745.84(a)(2). Respondent, therefore, violated Section 409 of TSCA, 15 U.S.C. § 2689.

Count 5

39. The facts stated in Paragraphs 15 through 21 above are herein incorporated.

40. Pursuant to 40 C.F.R. § 745.84(a)(2), no more than sixty (60) days before beginning renovation activities in any residential dwelling unit of target housing, the firm performing the renovation must provide the adult occupant of the unit with the EPA pamphlet titled *Renovate Right: Important Lead Hazard Information for Families, Child Care Providers and Schools*.

41. The EPA inspection revealed that Respondent failed to provide the pamphlet to the adult occupant of the Property.

42. Respondent's failure to provide the pamphlet to the adult occupant of the Property is a violation of 40 C.F.R. § 745.84(a)(2). Respondent, therefore, violated Section 409 of TSCA, 15 U.S.C. § 2689.

In such case, interest shall begin to accrue on a civil or stipulated penalty from the date of delinquency until such civil or stipulated penalty and any accrued interest are paid in full. 31 C.F.R. § 901.9. Interest will be assessed at a rate of the United States Treasury Tax and loan rates in accordance with 31 U.S.C. § 3717. Additionally, a charge will be assessed to cover the costs of debt collection including processing and handling costs, and a non-payment penalty charge of six (6) percent per year compounded annually will be assessed on any portion of the debt which remains delinquent more than ninety (90) days after payment is due. 31 U.S.C. § 3717(e)(2).

Effect of Settlement and Reservation of Rights

52. Full payment of the penalty proposed and performance in this Consent Agreement shall only resolve Respondent's liability for federal civil penalties for the violations alleged

herein. Complainant reserves the right to take any enforcement action with respect to any other violations of TSCA or any other applicable law.

53. The effect of settlement described in the immediately preceding paragraph is conditioned upon the accuracy of Respondent's representations to the EPA, as memorialized in paragraph directly below.

54. Respondent certifies by the signing of this Consent Agreement that, to the best of their knowledge, it is presently in compliance with all requirements of TSCA and its implementing regulations.

55. Full payment of the penalty proposed and performance in this Consent Agreement shall not in any case affect the right of the Agency or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. This Consent Agreement and Final Order does not waive, extinguish or otherwise affect Respondent's obligation to comply with all applicable provisions of TSCA and regulations promulgated thereunder.

56. Complainant reserves the right to enforce the terms and conditions of this Consent Agreement and Final Order.

57. This Consent Agreement and Final Order constitutes a "prior such violation" as that term is used in EPA's Interim Final Consolidated Enforcement Response and Penalty Policy for the Pre-Renovation Education Rule; Renovation, Repair and Painting Rule; and Lead-Based Paint Activities Rule to determine Respondent's "history of prior such violations" under Section 16(a)(2)(B) of TSCA, 15 U.S.C. § 2615(a)(2)(B).
