Dear Madame/Sir:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), Docket No. SDWA-08-2011-0058, issued to the Mountain Cement Company, as owner and/or operator of the Mountain Cement Company Public Water System, on August 5, 2011. The EPA has determined that Mountain Cement Company has complied with the terms of the Order and therefore we will close the Order at this time.

Please be aware that Mountain Cement Company is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Mario Mérida at 303-312-6297. We thank you for resolving these issues.

Sincerely,
