**ORDER GRANTING MOTION TO WITHDRAW AND REFILE CONSENT
AGREEMENT AND FINAL ORDER**

Complainant EPA has filed motion to withdraw the fully executed consent agreement and final order (CAFO), which was filed on February 13, 2017. In support of its motion, EPA states an incorrect version of the CAFO, as agreed to by the parties, was filed on February 13, 2017. Respondent Camtek does not object to this motion to withdraw and refile the CAFO.

For good cause shown, I am granting EPA's motion to withdraw the CAFO. To the extent withdrawing this CAFO reopens this matter and impacts deadlines and other proceedings, the Parties are directed to file subsequent motions with the Presiding Officer until the amended CAFO is ratified.

Pursuant to 40 C.F.R. § 22.4(c)(10), the Regional Hearing Clerk is authorized to serve this Order by electronic mail.

IT IS SO ORDERED.
