Mike Millenkamp dba Millenkamp Dairy Cattle

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

In accordance with Section 309(g)(4)(A) of the Clean Water Act ("CWA"), 33 U.S.C. § 1319 (g)(4)(A), and 40 C.F.R. § 22.45 of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits ("Consolidated Rules"), notice is hereby given that a Consent Agreement and Final Order ("CA/FO") is proposed with Mike Millenkamp, doing business as Millenkamp Dairy Cattle ("Respondent") regarding his animal feeding operation in Earlville, Iowa.

Under the CWA, the U.S. Environmental Protection Agency ("EPA") is authorized to issue orders assessing civil penalties for various violations of the CWA. EPA may issue such orders after beginning either a Class I or Class II penalty proceeding. EPA provides notice of the proposed assessment of a Class I civil penalty pursuant to Section 309 of the CWA. Class I proceedings are conducted under EPA's Consolidated Rules, 40 C.F.R. Part 22.

In this case, EPA alleges that Respondent violated Section 308 of the CWA, 33 U.S.C. § 1318, when he denied access to EPA inspectors to inspect his animal feeding operation.

Respondent has reached agreement with EPA on the terms of a proposed CA/FO that would resolve this matter. Under the proposed CA/FO, Respondent will pay a civil penalty of \$3,000. Final approval of the [proposed CA/FO \(PDF\)](#) (8 pp., 29K, [About PDF](#)) is subject to the requirements of 40 C.F.R. § 22.45.

EPA will receive written comments on the CA/FO for a period of thirty (30) days from the date of publication of this notice. The procedures by which the public may submit written comments on a proposed Class I order or participate in a Class I proceeding and the procedures by which a respondent may request a hearing are set forth in the Consolidated Rules. Persons wishing to receive a copy of EPA's Consolidated Rules, review the CA/FO, comment upon the proposed penalty assessment, or otherwise participate in the proceeding should contact Kathy Robinson, Regional Hearing Clerk, U.S. Environmental Protection Agency, Region 7, 901 North Fifth Street, Kansas City, Kansas 66101. Please reference Docket No. CWA-07-2011-0106. In order to provide opportunity for public comment, EPA will issue no final order assessing a penalty in this proceeding prior to forty (40) days from the date of this notice.
