Re: Complaint and Notice of Opportunity for Hearing
Docket No. CWA-08-2021-0017

Dear Ms. Haniewicz:

With this letter, please find a Complaint and Notice of Opportunity for Hearing (Complaint) issued by the U.S. Environmental Protection Agency to the City of Helena, Montana. The Complaint is identical to the complaint transmitted to you via email from Ellen Wells of the EPA Region 8 Office of Regional Counsel on September 2, 2021, except that it has been signed in the proper place, the page numbering in the footer has been corrected, and the certificate of service is blank. The certificate of service for the complaint being filed today is in a separate pdf document, which is also being transmitted to you with this letter.

If you have any questions or comments, please contact me at (303) 312-6858 or livingston.peggy@epa.gov.

Thank you for your attention to this matter.

Sincerely,

Margaret J. (Peggy) Livingston
Senior Assistant Regional Counsel
