Re: Termination of Administrative Order on Consent (AOC), RCRA 7003, Docket No. RCRA-08-2013-0001

Dear Mr. Cheff:

Jore Corporation has demonstrated to the EPA that the terms of the AOC have been satisfactorily completed. This letter, therefore, serves as written notice that the Consent Order is terminated. Please note, however, that this does not terminate Jore's obligation to comply with the continuing obligations in the AOC: Section XI, Sampling, Access, and Data Availability; Section XII, Record Retention; Section XVII, Reservation of Rights; and Section XXI, Indemnification.

You may contact Ms. Linda Jacobson, EPA Project Coordinator, at 303-312-6503 if you have any questions on this letter or any related matter.
