2. Notice of this action has been given to the State of Arkansas, under Resource Conservation and Recovery Act (RCRA) § 3008(a)(2), 42 U.S.C. § 6928(a)(2).
3. For the purpose of these proceedings, Respondent admits the jurisdictional allegations herein; however, the Respondent neither admits nor denies the specific factual allegations and conclusions of law contained in this CAFO. This CAFO states a claim upon which relief may be granted.
4. Respondent explicitly waives any right to contest the allegations or to appeal the proposed final order contained in this CAFO, and waives all defenses that have been raised or could have been raised to the claims set forth in the CAFO.
5. This CAFO resolves only those violations alleged in this document.

6. The Respondent consents to the issuance of the CAFO hereinafter recited, consents to the assessment and payment of the stated civil penalty in the amount and by the method set out in this CAFO, and consents to the specific stated compliance order.

II. JURISDICTION

7. This CAFO is issued by EPA pursuant to RCRA § 3008(a), 42 U.S.C. § 6928(a), as amended by the Hazardous and Solid Waste Amendments of 1984 and is simultaneously commenced and concluded through the issuance of this CAFO under 40 C.F.R. §§ 22.13(b), 22.18(b)(2), (3).

8. Respondent agrees to undertake and complete all actions required by the terms and conditions of this CAFO. In any action by the EPA or the United States to enforce the terms of this CAFO, Respondent agrees not to contest the authority or jurisdiction of the EPA to issue or enforce this CAFO, and agrees not to contest the validity of this CAFO or its terms or conditions.

9. The State of Arkansas has adopted the federal regulations contained in 40 C.F.R. Parts 260-266, 268, 270, 273, and 279 verbatim in ARK. REG. 23 §§ 260-279.

III. FINDINGS OF FACT AND CONCLUSIONS OF LAW

10. Respondent is a nonprofit corporation formed under the laws of the State of Arkansas and owns and operates its primary hospital and health care facility at 300 Werner Street Hot Springs, Arkansas 71913.

11. Respondent is a "person" within the meaning of RCRA § 1004(15), 42 U.S.C. § 6903(15); ARK. REG. 23 § 260.10.

12. The facility's NAICS classification is 622110, referring to general medical and surgical hospitals.

13. Respondent's Registered Agent for service in this matter is The Corporation Company, at 124 West Capitol Avenue, Little Rock, Arkansas 72201.

14. From January through August 2016, EPA conducted an investigation and record review of Respondent's performance as a generator of hazardous waste.

15. EPA's investigation found that Respondent violated the requirements of RCRA and the regulations promulgated at ARK. REG. 23 §§ 261, 262, and 270 by failing to comply with the RCRA notification requirements, failing to meet the requirements of a small quantity generator, and failing to file a biennial report.

16. Respondent is a "generator" of "hazardous wastes" at the facility, as those terms are defined in RCRA §§ 1004(5), (6), 42 U.S.C. §§ 6903(5), (6), and ARK. REG. 23 § 260.10.

17. As a generator of hazardous waste, Respondent is subject to RCRA §§ 3002 and 3010, 42 U.S.C. §§ 6922 and 6930, and the regulations set forth at ARK. REG. 23 §§ 262 and/or 270.

Claim 1: Failure to File an Adequate or Accurate Initial or Subsequent Notification Section 3010 (a) of RCRA

18. The allegations in Paragraphs 1-16 are realleged and incorporated herein by reference.

19. Pursuant to Section 3010(a) of RCRA, 42 U.S.C. § 6930(a), any person generating a characteristic or listed waste shall file with the Administrator or authorized state a notification stating the location and general description of such activity and the identified or listed hazardous wastes handled by such person.

20. Pursuant to ARK. REG. 23 § 261.5(a), (b), a generator is a conditionally exempt small quantity generator (CESQG) if he generates no more than 100 kg of hazardous waste

in a calendar month and complies with ARK. REG. 23 §§ 261.5 (f), (g), (j). A CESQG may be exempt from the notification requirements of RCRA § 3010(a).

21. From 2011 to 2015 Respondent generated hazardous waste in an amount exceeding CESQG criteria and the exemptions in ARK. REG. 23 § 261.5 were not applicable.

22. At the time of the Investigation, Respondent had not filed with the Administrator or with the authorized state an adequate notification of hazardous waste activities in violation of Section 3010(a) of RCRA, 42 U.S.C. § 6930(a).

Claim 2: Failure to Meet the Requirements of a Small or Large Quantity Generator

23. The allegations in Paragraphs 1-16 are realleged and incorporated herein by reference.

24. A generator of hazardous waste is subject to the requirements of ARK. REG. 23 §§ 124, 262-68, 270.

25. A CESQG that complies with the applicable requirements of ARK. REG. 23 § 261.5 may be exempt from some requirements of ARK. REG. 23 §§ 124, 262-68, 270.

26. From 1993 to 2016 Respondent declared its generator status as a CESQG.

27. From 2012 to 2016 Respondent generated hazardous wastes exceeding the CESQG threshold established in ARK. REG. 23 § 261.5 and therefore operated as a small quantity generator, except in November and December 2015, when it generated or disposed of over 1,000 kilograms of hazardous waste and operated as a large quantity generator.

28. While operating as a small or large quantity generator from 2012 to 2015, Respondent failed to comply with one or more of the requirements for generators under ARK. REG. 23 § 262 and/or 270.

Claim 3: Failure to Submit a Biennial Report

29. The allegations in Paragraphs 1-16 are realleged and incorporated herein by reference.

30. Under ARK. REG. 23 § 262.41, a large quantity generator of hazardous waste who ships any hazardous waste off-site must file a biennial report to the regional administrator by March 1 of each even numbered year.

31. In November and December 2015, Respondent operated as a large quantity generator by producing or disposing of in excess of 1,000 kilograms of hazardous waste.

32. Respondent did not file a biennial report by March 1, 2016 and therefore failed to comply with ARK. REG. 23 § 262.41.

IV. COMPLIANCE ORDER

managing hazardous wastes; and (iii) reporting, transporting, and disposing of hazardous waste.
