Docket Nos. CWA-01-2025-0029

**NOTICE OF CLERICAL ERROR**

I Mark R. Smart, hereby issue this Notice of Clerical Error concerning the foregoing Expedited Settlement Agreement (ESA) for the docket number identified above. The above referenced ESA was properly date/time stamped and actually served on all parties on 1/30/25 at 5:07 PM.

However, for unknow reasons an inadvertent document claiming to be the ESA was erroneously filed in-spite of the correct and properly date/time stamped ESA.

This document serves as notice of correction of that clerical error to reflect the proper filing of the actual ESA. 1/30/25.
