REGIONAL HEARING CLERK
EPA REGION 6

In the Matter of	§	
	§	
Eco Services Operations Corp.	§	Docket No. CAA-06-2025-3427
Baytown, TX	§	
	§	
Respondent	§	

CONSENT AGREEMENT AND FINAL ORDER

A. PRELIMINARY STATEMENT

1. This is an administrative penalty assessment proceeding brought under Section 113(d) of the Clean Air Act, (the “CAA” or the “Act”), 42 U.S.C. § 7413(d), and Sections 22.13, 22.18, and 22.34 of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permit (“Consolidated Rules”), as codified at 40 C.F.R. Part 22.

2. Complainant is the United States Environmental Protection Agency, Region 6 (“EPA”). On EPA’s behalf, the Director of the Enforcement and Compliance Assurance Division, EPA Region 6, has been delegated the authority to settle civil administrative penalty and compliance proceedings under Section 113(d) of the Act, 42 U.S.C. § 7413(d).

3. Eco Services Operations Corp. (“Eco Services” or “Respondent”) is a limited liability company doing business in the State of Texas. Respondent is a “person” as defined in Section 302(e) of the Act, 42 U.S.C. § 7602(e).

4. Complainant and Respondent, having agreed that settlement of this action is in the public interest, consent to the entry of this Consent Agreement along with the corresponding Final Order hereinafter known together as the “CAFO” without the adjudication of any issues of law or fact herein.

5. Respondent consents to the assessment of the civil penalty specified in this CAFO and to the terms of this CAFO.

B. JURISDICTION

6. This CAFO is entered into under Section 113(d) of the CAA, as amended, 42 U.S.C. § 7413(d), and the Consolidated Rules, 40 C.F.R. Part 22. The alleged violations in this CAFO are pursuant to Section 113 (a)(3)(A) of the Act, 42 U.S.C. § 7413 (a)(3)(A).

7. On May 10, 2024, EPA issued to Respondent a Notice letter, providing notice to Respondent that EPA found Respondent committed the alleged violations described in Section E of this CAFO and providing Respondent an opportunity to confer with EPA. On June 10, 2024, representatives of Respondent and EPA conferred regarding the May 10, 2024, Notice letter.

8. The Regional Judicial Officer is authorized to ratify this CAFO which memorializes a settlement between Complainant and Respondent. 40 C.F.R. §§ 22.4(b) and 22.18(b).

9. The issuance of this CAFO simultaneously commences and concludes this proceeding. 40 C.F.R. § 22.13(b).

C. STATUTORY AND REGULATORY BACKGROUND

Clean Air Act, Section 112(R)

10. The objective of Section 112(r)(1) of the Act, 42 U.S.C. § 7412(r)(1), is to prevent the accidental release and to minimize the consequences of any such release of any substance

listed pursuant to Section 112(r)(3) of the CAA, 42 U.S.C. § 7412(r)(3), or any other extremely hazardous substance.

11. Section 112(r)(3) of the CAA, 42 U.S.C. § 7412(r)(3), requires the Administrator to promulgate, not later than 24 months after November 15, 1990, a list of regulated substances which, in the case of an accidental release, are known to cause or may reasonably be anticipated to cause death, injury, or serious adverse effects to human health or the environment.

12. Pursuant to Section 112(r)(3) of the Act, 42 U.S.C. § 7412(r)(3), the Administrator initially promulgated a list of regulated substances, with threshold quantities for applicability, at 59 Fed. Reg. 4478 (January 31, 1994), which is codified, as amended, at 40 C.F.R. § 68.130.

13. Pursuant to Sections 113(a) and (d) of the CAA, 42 U.S.C. §§ 7413(a) and (d), whenever the Administrator finds that such person has violated or is violating any requirement or prohibition of Section 112(r) of the CAA, 42 U.S.C. § 7412(r), and its implementing regulations, the Administrator may issue an administrative order and a civil administrative penalty.

14. The Administrator may assess a civil penalty of up to \$59,114 per day of violation up to a total of \$472,901 for each violation. Section 113(d)(1) of the Act, 42 U.S.C. § 7413(d)(1), and 40 C.F.R. Part 19.

Risk Management Plan (RMP)

15. Section 112(r)(7) of the CAA, 42 U.S.C. § 7412(r)(7), requires the Administrator to promulgate regulations that address release prevention, detection, and correction requirements for stationary sources with threshold quantities of regulated substances listed pursuant to

Section 112(r)(3) of the CAA, 42 U.S.C. § 7412(r)(3). On June 20, 1996, EPA promulgated a final rule known as the Risk Management Program, 40 C.F.R. Part 68 – Chemical Accident Prevention Provisions, which implements Section 112(r)(7) of the CAA, 42 U.S.C. § 7412(r)(7).

16. The regulations at 40 C.F.R. Part 68 require owners and operators to develop and implement a Risk Management Program at each stationary source with over a threshold quantity of regulated substances. The Risk Management Program must include, among other things, a hazard assessment, a prevention program, and an emergency response program. The Risk Management Program is described in a Risk Management Plan (RMP) that must be submitted to EPA.

17. Pursuant to Section 112(r)(7) of the CAA, 42 U.S.C. § 7412(r)(7), and 40 C.F.R. § 68.150, an RMP must be submitted for all covered processes by the owner or operator of a stationary source subject to 40 C.F.R. Part 68 no later than the latter of June 21, 1999, or the date on which a regulated substance is first present above the threshold quantity in a process.

18. The regulations at 40 C.F.R. § 68.10 set forth how the Chemical Accident Prevention Provisions of 40 C.F.R. Part 68 apply to each program level of covered processes.

19. Pursuant to 40 C.F.R. § 68.10(g), a covered process is subject to Program 1 requirements as provided in 40 C.F.R. § 68.12(b) if, for the five years prior to the submission of an RMP, the process has not had an accidental release of a regulated substance that led to death, injury, or response or restoration activities for an exposure to an environmental receptor; if the distance to a toxic or flammable endpoint for a worst-case release is less than the distance to any public receptor; and if emergency response procedures have been coordinated between the stationary source and local emergency planning and response organizations.

20. Pursuant to 40 C.F.R. § 68.10(h), a covered process is subject to Program 2 requirements if the process does not meet the eligibility requirements of either Program 1 or Program 3, as described in 40 C.F.R. § 68.10(g) and (i), respectively.

21. Pursuant to 40 C.F.R. § 68.10(i), a covered process is subject to Program 3 requirements if the process does not meet the requirements of Program 1, as described in 40 C.F.R. § 68.10(g), and if it is in a specified North American Industrial Classification System code or is subject to the OSHA process safety management standard, 29 C.F.R. 1910.119.

Definitions

22. Section 302(e) of the CAA, 42 U.S.C. § 7602(e), defines “person” to include any individual, corporation, partnership, association, State, municipality, political subdivision of a State, and any agency department, or instrumentality of the United States and any officer, agent, or employee thereof.

23. Section 112(r)(2)(C) of the CAA, 42 U.S.C. § 7412(r)(2)(C), and the regulation at 40 C.F.R. § 68.3 defines “stationary source,” in part, as any buildings, structures, equipment, installations or substance-emitting stationary activities which belong to the same industrial group, which are located on one or more contiguous properties, which are under the control of the same person (or persons under common control), and from which an accidental release may occur.

24. Section 112(r)(2)(B) of the CAA, 42 U.S.C. § 7412(r)(2)(B), and the regulation at 40 C.F.R. § 68.3 defines “regulated substance” as any substance listed pursuant to Section 112(r)(3) of the CAA, as amended, in 40 C.F.R. § 68.130.

25. The regulation at 40 C.F.R. § 68.3 defines “threshold quantity” as the quantity specified for regulated substances pursuant to Section 112(r)(5) of the CAA, as amended, listed in 40 C.F.R. § 68.130 and determined to be present at a stationary source as specified in 40 C.F.R. § 68.115.

26. The regulation at 40 C.F.R. § 68.3 defines “process” as any activity involving a regulated substance including any use, storage, manufacturing, handling or on-site movement of such substances, or combination of these activities. For the purposes of this definition, any group of vessels that are interconnected, or separate vessels that are located such that a regulated substance could be involved in a potential release, shall be considered a single process.

27. The regulation at 40 C.F.R. § 68.3 defines “covered process” as a process that has a regulated substance present in more than a threshold quantity as determined under 40 C.F.R. § 68.115.

D. FINDINGS OF FACT AND CONCLUSIONS OF LAW

28. Respondent is, and at all times referred to herein was, a “person” as defined by Section 302(e) of the CAA, 42 U.S.C. § 7602(e).

29. Respondent is the owner and operator of a facility located at 3439 Park Street, Baytown, Texas 77522 (the “Facility”).

30. Pursuant to Section 114 of the CAA, 42 U.S.C. § 7414, EPA conducted an inspection of the Facility from April 26 to 28, 2022, to determine Respondent’s compliance with Section 112(r) of the CAA, 42 U.S.C. § 7412(r), and 40 C.F.R. Part 68 (the “Inspection”).

31. On May 10, 2024, EPA sent Respondent a Notice letter. On June 10, 2024, and on various other occasions, EPA conferred with Respondent regarding the violations alleged herein and provided an opportunity for Respondent to submit additional information or materials. EPA responded to the documentation and information received from Respondent as a result of the opportunity to confer and articulated EPA's position concerning Respondent's compliance with Section 112(r) of the CAA, 42 U.S.C. § 7412(r).

32. The Facility is a "stationary source" pursuant to Section 112(r)(2)(C) of the CAA, 42 U.S.C. § 7412(r)(2)(C), and the regulation at 40 C.F.R. § 68.3.

33. Respondent has six regulated substances present at the Facility – anhydrous ammonia, carbon disulfide, methyl mercaptan, 2-butene, 3-butadiene, propylene, and ethyl mercaptan. Respondent's Facility manufactures sulfuric acid and regenerates spent sulfuric acid, meeting the definition of "process", as defined by 40 C.F.R. § 68.3.

34. Regulated substance is a "regulated substance" pursuant to Section 112(r)(2)(B) of the CAA, 42 U.S.C. § 7412(r)(2)(B), and the regulation at 40 C.F.R. § 68.3. The threshold quantity for carbon disulfide, as listed in 40 C.F.R. § 68.130 is 20,000 pounds; methyl mercaptan is 10,000 pounds; 2-butene is 10,000 pounds; 3-butadiene is 10,000 pounds; propylene is 10,000 pounds; and ethyl mercaptan is 10,000 pounds.

35. Respondent has greater than a threshold quantity of the aforementioned chemicals from Paragraph 33, in a process at the Facility, meeting the definition of "covered process" as defined by 40 C.F.R. § 68.3.

36. From the time Respondent first had on-site greater than a threshold quantity of the regulated substances listed in Paragraph 33 in a process, Respondent was subject to the

requirements of Section 112(r)(7) of the CAA, 42 U.S.C. § 7412(r)(7), and 40 C.F.R. Part 68 because it was the owner or operator of a stationary source that had more than a threshold quantity of a regulated substance in a process.

37. From the time Respondent first had on-site greater than a threshold quantity of the regulated substances in Paragraph 33 in a process, Respondent was required to submit an RMP pursuant to 40 C.F.R. § 68.12(a) and comply with the Program 3 prevention requirements. Pursuant to 40 C.F.R. § 68.10(i), the covered process at the Facility did not meet the eligibility requirements of Program 1 and was in North American Industry Classification System code 325180 (sulfuric acid manufacturing) and subject to the OSHA process safety management standard, 29 C.F.R. § 1910.119.

38. Based upon the information gathered during the Inspection, EPA determined that Respondent violated certain provisions of the CAA.

E. ALLEGED VIOLATIONS

39. The facts stated in EPA Findings of Fact and Conclusions of Law above are herein incorporated.

40. Complainant hereby states and alleges that Respondent has violated the CAA and federal regulations promulgated thereunder as stated below.

Training

41. The regulation at 40 C.F.R. § 68.71(b) states - Refresher training: refresher training shall be provided at least every three years, and more often if necessary, to each employee involved in operating a process to assure that the employee understands and adheres to the current operating procedures of the process. The owner or operator, in consultation with

the employees involved in operating the process, shall determine the appropriate frequency of refresher training.

42. Of the six employees randomly selected for review, one employee was seven (7) months late in completing their refresher training.

43. Respondent's failure to complete refresher training in a timely manner, as required, is a violation of by 40 C.F.R. § 68.71(b).

Emergency Response Program

44. The regulation at 40 C.F.R. § 68.95(a)(1)(ii) states - The owner or operator shall develop and implement an emergency response program for the purpose of protecting public health and the environment. Such program shall include the following elements: an emergency response plan, which shall be maintained at the stationary source and contain at least the following elements: documentation of proper first aid and emergency medical treatment necessary to treat accidental human exposures.

45. Respondent failed to develop and implement an emergency response program that included proper documentation of first aid and emergency medical treatment, as necessary to treat accidental human exposure.

46. Respondent's failure to develop and implement its emergency response program fully is a violation of 40 C.F.R. § 68.95(a)(1)(ii).

F. CONSENT AGREEMENT AND CIVIL PENALTY

General

47. For the purpose of this proceeding, as required by 40 C.F.R. § 22.18(b)(2),
Respondent:

- a. admits the jurisdictional allegations set forth herein;
- b. neither admits nor denies the specific factual allegations stated herein;
- c. consents to the assessment of a civil penalty, as stated herein;
- d. consents to any conditions specified herein;
- e. waives any right to contest the allegations set forth herein; and
- f. waives its rights to appeal the Final Order accompanying this CAFO.

48. For the purpose of this proceeding, Respondent:

- a. agrees that this CAFO states a claim upon which relief may be granted against Respondent;
- b. acknowledges that this CAFO constitutes an enforcement action for purposes of considering Respondent's compliance history in any subsequent enforcement action;
- c. waives any and all remedies, claims for relief and otherwise available rights to judicial or administrative review that Respondent may have with respect to any issue of fact or law set forth in this CAFO, including any right of judicial review under Section 307(b)(1) of the CAA, 42 U.S.C. § 7607(b)(1);
- d. consents to personal jurisdiction in any action to enforce this CAFO in the United States District Court for the Southern District of Texas.
- e. waives any right it may possess at law or in equity to challenge the authority of EPA to bring a civil action in a United States District Court to compel compliance with this CAFO and to seek an additional penalty for such noncompliance, and agrees that federal law shall govern in any such civil action;

f. consents to the issuance of this CAFO and consents for the purposes of settlement to the payment of the civil penalty specified herein; and

g. agrees that in any subsequent administrative or judicial proceeding initiated by the Complainant or the United States for injunctive relief, civil penalties, or other relief relating to the Facility, Respondent shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim preclusion, claim splitting, or other defenses based on any contention that the claims raised by the Complainant or the United States were or should have been brought in the instant case, except with respect to claims that have been specifically resolved pursuant to this CAFO.

49. By signing this CAFO, Respondent waives any rights or defenses that Respondent has or may have for this matter to be resolved in federal court, including but not limited to any right to a jury trial, and waives any right to challenge the lawfulness of the final order accompanying this CAFO.

50. Respondent and EPA agree to conciliate this matter without the necessity of a formal hearing and to bear their respective costs and attorneys' fees.

Penalty Assessment and Collection

51. Upon consideration of the entire record herein, including the Findings of Fact and Conclusions of Law, which are hereby adopted and made a part hereof, and upon consideration of the size of the business, the economic impact of the penalty on the business, Respondent's full compliance history and good faith efforts to comply, the duration of the violations, payment by the violator of any penalties previously assessed for the same violation, the economic benefit

of noncompliance, the seriousness of the violations, and other factors as justice may require, EPA has assessed a civil penalty in the amount of **\$40,000.00** (the “EPA Penalty”). The EPA Penalty has been determined in accordance with Section 113 of the CAA, 42, U.S.C. § 7413, and at no time exceeded EPA’s statutory authority.

52. Respondent agrees to pay the EPA Penalty within thirty (30) calendar days of the Effective Date of this CAFO. Respondent shall pay the EPA Penalty and any interest, fees, and other charges due using any method, or combination of appropriate methods, as provided on the EPA website: <https://www.epa.gov/financial/makepayment>. For additional instructions see: <https://www.epa.gov/financial/additional-instructions-making-payments-epa>.

53. When making a payment, Respondent shall:

a. Identify every payment with Respondent’s name and the docket number of this Order, Docket No. CAA-06-2025-3427. The payment shall also be accompanied by a transmittal letter that shall reference Respondent’s name and address, the case name, and docket number CAA-06-2025-3427. Respondent’s adherence to this request will ensure proper credit is given when penalties are received for Region 6.

b. Concurrently with any payment, email proof of such payment and the transmittal letter to the following email addresses:

Kayla Buchanan
U.S. EPA Region 6
Buchanan.Kayla@epa.gov

Region 6 Hearing Clerk
U.S. EPA Region 6
Vaughn.Lorena@epa.gov

and

U.S. Environmental Protection Agency
Cincinnati Finance Center
Via electronic mail to:
CINWD_AcctsReceivable@epa.gov

“Proof of payment” means, as applicable, confirmation of credit card or debit card payment, or confirmation of wire or automated clearinghouse transfer and any other information required to demonstrate that payment has been made according to EPA requirements, in the amount due.

54. Pursuant to 42 U.S.C. § 7413(d)(5), 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to timely pay any portion of the EPA Penalty per this CAFO, the entire unpaid balance of the EPA Penalty and all accrued interest shall become immediately due and owing, and EPA is authorized to recover the following amounts.

a. Interest. Interest begins to accrue from the Effective Date. If the EPA Penalty is paid in full within 30 days, interest accrued is waived. If the EPA Penalty is not paid in full within 30 days, interest will continue to accrue until any unpaid portion of the EPA Penalty as well as any interest, penalties, and other charges are paid in full. Per 42 U.S.C. § 7524(c)(6), interest will be assessed pursuant to 26 U.S.C. § 6621(a)(2), that is the IRS standard underpayment rate, equal to the Federal short-term rate plus 3 percentage points.

b. Handling Charges. The United States’ enforcement expenses including, but not limited to, attorneys’ fees and costs of handling collection.

c. Late Payment Penalty. A ten percent (10%) quarterly non-payment penalty.

55. Late Penalty Actions. In addition to the amounts described in the prior Paragraph, if Respondent fails to timely pay any portion of the EPA Penalty per this CAFO, EPA may take additional actions. Such actions EPA may take include, but are not limited to, the following.:

- a. refer the debt to a credit reporting agency, a collection agency, or request that the Attorney General bring civil action in the appropriate United States District Court (in which the validity, amount, and appropriateness of the EPA Penalty and of this CAFO shall not be subject to review) to secure payment of the debt, which may include the original penalty, enforcement and collection expenses, nonpayment penalty and interest, 42 U.S.C. § 7413(d)(5) and 40 C.F.R. §§ 13.13 and 13.14;
- b. collect the above-referenced debt by administrative offset (*i.e.*, the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds, 40 C.F.R. Part 13, Subparts C and H; and
- c. suspend or revoke Respondent's licenses or other privileges or suspend or disqualify Respondent from doing business with EPA or engaging in programs EPA sponsors or funds, 40 C.F.R. § 13.17.

Additional Terms of Settlement

56. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, servants, authorized representatives, successors and assigns. Respondent shall ensure that all contractors, employees, consultants,

firms, or other persons or entities acting for Respondent with respect to matters included herein comply with the terms of this CAFO.

57. Any change in the legal status of the Respondent, or change in ownership, partnership, corporate or legal status relating to the Facility, will not in any way alter Respondent's obligations and responsibilities under this CAFO.

58. By signing this CAFO, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential business information. See 40 C.F.R. Part 2, Subpart B (Confidentiality of Business Information).

59. By signing this CAFO, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and is, truthful, accurate, and complete for each submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.

60. By signing this CAFO, Respondent certifies that it is presently in compliance with all requirements of Section 112(r) of the CAA, 42 U.S.C. § 7412(r).

61. By signing this CAFO, the undersigned representative of Respondent certifies that it is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party it represents to this CAFO.

62. Respondent and EPA agree to the use of electronic signatures for this matter. EPA and Respondent consent to service of a final order by email at the following valid email addresses: Sharma.Ravi@epa.gov (for EPA) and VShekhar@babstcalland.com (for Respondent).

63. Respondent specifically waives its right to seek reimbursement of its costs and attorney's fees under 5 U.S.C. § 504 and 40 C.F.R. Part 17. Except as qualified by Paragraph 54.b of this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

G. EFFECT OF CONSENT AGREEMENT AND RESERVATION OF RIGHTS

64. In accordance with 40 C.F.R. § 22.18(c), completion of the terms of this CAFO resolves only Respondent's liability for federal civil penalties for the violations and facts alleged in Sections D and E above.

65. The terms, conditions and requirements of this CAFO may not be modified or amended except upon the written agreement of both parties, and approval of the Regional Judicial Officer.

66. Penalties paid pursuant to this CAFO shall not be deductible for purposes of Federal, State, and local taxes.

67. Any violation of the included Final Order may result in a civil judicial action for an injunction or civil penalties as provided in Section 113(b) of the Act, 42 U.S.C. § 7413(b) and adjusted for inflation pursuant to 40 C.F.R. Part 19, as well as criminal sanctions as provided in Section 113(c) of the Act, 42 U.S.C. § 7413(c). EPA may use any information submitted under this CAFO in an administrative, civil judicial, or criminal action.

68. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or a determination of, any issue related to any federal, state, or

local permit. EPA does not, by its consent to the entry of this CAFO, warrant or aver in any manner that Respondent's compliance with any aspect of this CAFO will result in compliance with provisions of the Clean Air Act, 42 U.S.C. § 7401, *et seq.*, or with any other provisions of federal, state, or local laws, regulations, or permits.

69. Nothing herein shall be construed to limit the power of EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent and substantial endangerment to the public health, welfare, or the environment.

70. If and to the extent EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to EPA, EPA reserves any and all of its legal and equitable rights.

H. EFFECTIVE DATE

71. Respondent and Complainant agree to the issuance of the included Final Order. Upon filing, EPA will transmit a copy of the filed CAFO to Respondent. This CAFO shall become effective after execution of the Final Order by the Regional Judicial Officer on the date of filing with the Regional Hearing Clerk. Unless otherwise stated, all time periods stated herein shall be calculated in calendar days from such date.

The foregoing Consent Agreement In the Matter of Eco Services Operations Corp., Docket No. CAA-06-2025-3427, is Hereby Stipulated, Agreed, and Approved for Entry.

FINAL ORDER

Pursuant to Section 113(d) of the CAA, 42 U.S.C. § 7413(d), and the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits, 40 C.F.R. Part 22, the foregoing Consent Agreement resolving this matter is hereby ratified and incorporated by reference into this Final Order.

Eco Services Operations Corp. is ORDERED to comply with all of the terms of the Consent Agreement. In accordance with 40 C.F.R. § 22.31(b), this Final Order shall become effective upon filing with the Regional Hearing Clerk.

This Final Order shall resolve only those causes of action alleged in the Consent Agreement. Nothing in this Final Order shall be construed to waive, extinguish, or otherwise affect Respondent's (or its officers, agents, servants, employees, successors, or assigns) obligation to comply with all applicable federal, state, and local statutes and regulations, including the regulations that were the subject of this action.

IT IS SO ORDERED.
