Re: In the Matter of Brookline Ice Company, LLC; Docket No. CAA-01-2023-0019

Dear Ms. Jensen:

In accordance with revised regional procedures, attached is a Clean Air Act Section 112(r)(7) Expedited Settlement Agreement (“ESA”) that has been signed by all parties and is now being submitted to you for approval in accordance with 40 C.F.R. § 22.18(b). It is being sent to you via the Regional Hearing Clerk. Please note that, consistent with 40 C.F.R. §§ 22.13(b) and 22.18(b), this ESA both commences and concludes the matter referenced above. The ESA includes a penalty form, which is in a separate attachment.

The memorandum entitled “*Use of Expedited Settlements in Addressing Violations of the Clean Air Act Chemical Accident Prevention Provision, 40 C.F.R. Part 68*” (Jan. 5, 2004), as revised by the memorandum “*Changes to Restrictions on the Use of Expedited Settlements in Addressing Violations of the Clean Air Act Chemical Accident Prevention Regulations*” (Dec. 20, 2013) approves the use of ESAs for certain easily correctable violations. As required by these memoranda, the ESA includes Respondent’s certification that it has come into compliance with Section 112(r)(7) of the CAA and requires it to pay a \$8,280 penalty.

Once the Final Order has been signed, please transmit the ESA to the Regional Hearing Clerk. She will file the ESA and serve it on the parties. This settlement does not have any public notice requirements.

Respectfully,

Catherine Smith
