Docket No. CWA-02-2026-3302

NOTICE AND ORDER

PLEASE TAKE NOTICE that the above matter under Section 309(g) of the Clean Water Act, 33 U.S.C. §1319(g), has been docketed and the undersigned has been designated as Presiding Officer under 40 C.F.R. 22.51 to conduct a hearing if requested by respondent in its answer, to rule on motions, and issue an initial decision. Also please take notice that under 40 C.F.R. 22.5, correspondence with, or service upon, the Presiding Officer shall be directed to the following:

the undersigned via email at friedman.dana.p@epa.gov,
the Regional Hearing Clerk at both emails: maples.karen@epa.gov and
region2_regionalhearingclerk@epa.gov,
and upon each party to this proceeding via email.

On February 25, 2026, Respondent requested a 30-day extension and stated the reasons. Under 40 C.F.R 22.7(b), the Presiding Officer may grant an extension of time for filing any document upon timely motion by a party to the proceeding, for good cause shown, and after consideration of prejudice to other parties. The United States Environmental Protection Agency (Complainant) did not object to the extension. I find good cause as Respondent stated he is out of the country right now and in between switching attorneys. Note that under 40 C.F.R 22.10, any party may appear in person or by counsel or representative, or an officer may appear on behalf of a corporation. Also, any future requests for extension may require a more detailed explanation of good cause.

I hereby GRANT an extension through March 30, 2026. Any future motions for extension must be submitted to the above email addresses five (5) calendar days prior to the due date that the party requests to be extended.
