Re: Closure of Administrative Order
Docket No. SDWA-08-2007-0009
Sinclair Refinery Golf Course
PWS ID # WY5601550

Dear Corporation Service Company:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), issued on November 27, 2006 to The Sinclair Companies for the Sinclair Refinery Golf Course public water system. The EPA has determined that The Sinclair Companies have complied with the terms of the Order and therefore we will close it at this time. EPA's second Order for drinking water violations at the golf course, Docket No. SDWA-08-2010-0005, issued to The Sinclair Companies on November 19, 2009, remains in full force and effect.

Please be aware that The Sinclair Companies are still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

Thank you for resolving these issues. If you have any questions about this matter, please call Shawn McCaffrey at 303-312-6515.

Sincerely,

Lisa Kahn, Team Leader
