NOTICE OF WITHDRAWAL OF COMPLAINT

Pursuant to the authority granted under 40 C.F.R. § 22.14(d), *Withdrawal of Complaint*,

the Director of the Compliance Assurance and Enforcement Division, United States

Environmental Protection Agency, Region 6 ("Complainant"), in the above-captioned matter, by

and through his attorney of record, hereby withdraws the Administrative Complaint

("Complaint") filed and issued to the City of Santa Rosa ("Respondent") on February 15, 2011.

Complainant hereby withdraws the Complaint prior to the filing of an Answer by

Respondent and without prejudice to re-file the Complaint at a later date. The Complaint is

withdrawn because Complainant determined that steps were immediately taken by the

Respondent to develop and implement a Storm Water Pollution Prevention Plan ("SWPPP") and

apply for and obtain permit coverage. As a result, no discharge took place from the six rain
