On March 8, 2016, an authorized representative of the United States Environmental Protection Agency (EPA) conducted an inspection of Respondent's facility known as Colonna's Shipyard at 400 East Indian River Road in Norfolk, Virginia to determine compliance with the Oil Pollution Prevention regulations promulgated at 40 CFR Part 112 under Section 311(j) of the Clean Water Act, as amended, (33 U.S.C. §1321(j)), (the "Act" or "CWA"). The EPA representative found that Respondent had violated the regulations by failing to comply with the specific regulatory requirements noted on the attached OIL POLLUTION PREVENTION INSPECTION FINDINGS, ALLEGED VIOLATIONS AND PROPOSED PENALTY FORM (the "Form"), which is hereby incorporated by reference.

The parties enter into this Expedited Penalty Action and Consent Agreement ("Consent Agreement") to settle the civil violations set forth above for a penalty of **\$900.00**. This Consent Agreement commences and concludes this action pursuant to Sections 22.13(b), and 22.18(b)(2), and (3) of the Consolidated Rules of Practice Governing the Administrative Assessment of Penalties and the Revocation/Termination or Suspension of Permits ("Consolidated Rules of Practice"), 40 CFR §§ 22.13(b), and 22.18(b)(2), and (3). The settlement is subject to the following terms and conditions.

The settlement amount was based upon Complainant's consideration of a number of factors, including, but not limited to, the seriousness of the violations and the other factors provided in CWA Section 1321(b)(8) and EPA's Civil Penalty Policy for CWA Sections 311(b)(3) and 311(j) dated August 1998. Respondent certifies, subject to civil and criminal penalties for making a false statement to the United States Government, that the violations set forth in the Oil Pollution Prevention Inspection Findings, Alleged Violations and Proposed Penalty Form have been corrected. The payment made pursuant to this Consent Agreement is a penalty within the meaning of Section 162(f) of the Internal Revenue Code, 26 U.S.C. §162(f), and, therefore, Respondent shall not claim it as a tax deductible expenditure for purposes of federal, state or local law.

This Consent Agreement and the accompanying Final Order resolve only the civil penalty claims for the specific violations alleged in this Consent Agreement. EPA reserves the right to commence action against any person, including Respondent, in response to any condition which EPA determines may present an imminent and substantial endangerment to the public health, public welfare, or the environment. Nor shall anything in this Consent Agreement and the accompanying Final Order be construed to limit the United States authority to pursue criminal sanctions. In addition this settlement is subject to all limitations on the scope of resolution and the reservation of rights set forth in 40 C.F.R. § 22.18(c). Further, Complainant reserves any rights and remedies available to it under the CWA, the regulations promulgated thereunder, and any other federal laws or regulations for which Complainant has jurisdiction, to enforce the provisions of this Consent Agreement and accompanying Final Order following its filing with the Regional Hearing Clerk. The Final Order does not constitute a waiver, suspension or modification of the requirements of Section 311 of the CWA, 33 U.S.C. § 1321, or any regulations promulgated thereunder, and does not affect the right of the Administrator or the United States to pursue any applicable injunctive or other equitable relief or criminal sanctions for any violation of law.

Respondent neither admits nor denies the allegations set forth in the Form, but agrees that jurisdiction has been established for this Consent Agreement. Also, upon EPA's final approval of the Consent Agreement, Respondent expressly waives its right to contest the allegations, to a hearing under Section 311(b)(6)(B)(i) of the Act, 33 U.S.C. §1321(b)(6)(B)(i), and to appeal this Order under Section 311(b)(6)(G)(i) of the Act, 33 U.S.C. §1321(b)(6)(G)(i). Moreover, in entering into this Consent Agreement, the Respondent agrees to bear its own costs and attorney's fees related to this Consent Agreement.

If Respondent does not sign and return this Consent Agreement as presented within 30 days of the date of its receipt, the proposed Consent Agreement is withdrawn without prejudice to EPA's ability to file any other enforcement action for the violations identified in the Form.

**ACCEPT THE PROPOSED PENALTY**

I/we consent to the proposed penalty.

**DECLINE THE PROPOSED PENALTY**
