Docket No. RCRA-07-2010-0019

Order to Complainant

On July 2, 2012, I issued an order requiring Complainant to file a status report in this proceeding no later than July 13, 2012. Complainant has not filed a response to the July 2 order. On August 3, 2012, Complainant filed a copy of a letter addressed to Respondent in this matter, advising Respondent of its intent to file a motion for default order in this proceeding by August 17, 2012. The record does not indicate whether the filing of this letter was intended as a belated filing of the status report.

Based on the foregoing, Complainant shall, no later than August 17, 2012, file a status report and an explanation, if any, for Complainant's inability to timely comply with the July 2, 2012 order.

SO ORDERED, this 13th day of August, 2012
