ORDER

The parties have requested a third, 60-day extension of time for Respondents to file answers to the complaints concerning the above-referenced matters. Respondents have represented to Complainant, the United States Environmental Protection Agency, Region 1, that the proposed penalties would have serious negative impacts on their businesses and have submitted information to Complainant to substantiate their ability to pay. Respondents' submittals are under review by Complainant's financial analyst. Due to unforeseen delays caused by the COVID-19 pandemic, however, this review has not yet been completed.

In accordance with 40 C.F.R. §§ 22.7(b) and 22.16(c), for good cause shown,
Respondents are granted a 60-day extension of time to file answers to the complaints.
Accordingly, the deadline for Respondents to file answers to the complaints is extended until the
close of business on Monday, June 19, 2020.
