Re: Notice of Violation and Compliance Order/Settlement Agreement for the Elk Grove Village Fire Station facility, 901 Wellington Avenue, Elk Grove Village, Illinois

Dear Mr. O'Hara:

On March 11, 2019, the U.S. Environmental Protection Agency, Underground Storage Tank (UST) program issued a Notice of Violation and a Compliance Order/Settlement Agreement (Field Citation) concerning an UST violation (i.e., failure to conduct UST spill and overflow protection testing) found at the Village of Elk Grove Village facility located at 1635 Biesterfield Road, Elk Grove Village, Illinois.

We have received your signed copy of the Settlement Agreement, dated April 25, 2019 and the check for a total of \$1,340 in penalties. On April 19, 2019, we received the final supporting documentation on recent tests records for the tanks, addressing the UST violations.

The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in the EPA's files. We also have accepted and processed your check (#00214917) as part of the settlement process. Enclosed is a copy of the March 11, 2019 inspection report.

If you have any questions, please feel free to contact Arturo Cisneros, of my staff, at (312) 886-7447.

Sincerely,

A handwritten signature in cursive script that reads "Mardi Klevs".
