Dear Ms. Goodwin:

This Addendum constitutes the written approval by EPA of the new schedule, as indicated below, and incorporates the new schedule into the AO. At this time, EPA is also approving the plans submitted on February 5, 2009 by James Gores and Associates on behalf of the Fairway Estates HOA, for the installation of continuous chlorination equipment.

Please be advised that Fairway Estates HOA must continue to submit monthly progress reports to EPA outlining progress made in achieving compliance with the total coliform MCL as required in Item 16, on page 3 of the AO. Also, Fairway Estates HOA must continue to submit quarterly progress reports to EPA outlining progress made in achieving compliance with the arsenic MCL as required in Item 23, on page 4 of the AO.
