**I. NATURE OF ACTION**

1. This is an administrative penalty assessment proceeding brought under Section 16(a) of the Toxic Substances Control Act (TSCA or the Act), 15 U.S.C. § 2615(a), and Sections 22.13(b) and 22.18 of the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits*, as codified at Title 40 of the Code of Federal Regulations (C.F.R.), Part 22.
2. This Consent Agreement and the attached Final Order shall collectively be referred to as the CAFO.
3. Having found that settlement is consistent with the provisions and objectives of the Act and applicable regulations, the Parties have agreed to settle this action pursuant to 40 C.F.R. § 22.18 and consent to the entry of this CAFO without adjudication of any issues of law or fact herein.

**II. PARTIES**

4. Complainant is the Director of the Enforcement and Compliance Assurance Division, Region 4, who has been delegated the authority on behalf of the Administrator of the United States Environmental Protection Agency (EPA) to enter into this CAFO pursuant to 40 C.F.R. Part 22 and Section 16(a) of TSCA, 15 U.S.C. § 2615(a).
5. New Beginnings Construction, Inc., is a company doing business in the State of South Carolina.

**III. GOVERNING LAW**

6. Pursuant to Sections 402 and 406 of TSCA, 15 U.S.C. §§ 2682 and 2686, the EPA Administrator promulgated the “Residential Property Renovation Rules” at 40 C.F.R. Part 745, Subpart E,

including the Pre-Renovation Education Rule, Renovation and Repair and Painting Rule, and the Lead-Based Paint Activities Rule. It is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with any of the rules issued under 40 C.F.R. Part 745, Subpart E.

7. The term “target housing” is defined at Section 401(17) of TSCA, 15 U.S.C. § 2681(17), and 40 C.F.R. § 745.103, to mean, in part, any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than six years of age resides or is expected to reside in such housing) or any 0-bedroom dwelling.
8. The term “pamphlet” is defined at 40 C.F.R. § 745.83, to mean, in part, the EPA pamphlet titled “Renovate Right: Important Lead Hazard Information for Families, Child Care Providers and Schools” developed under Section 406(a) of TSCA for use in complying with Section 406(b) of TSCA, or any State or Tribal pamphlet approved by the EPA pursuant to 40 CFR § 745.326 that is developed for the same purpose. This includes reproductions of the pamphlet when copied in full and without revision or deletion of material from the pamphlet (except for the addition or revision of State or local sources of information).
9. The term “renovation” is defined at 40 C.F.R. § 745.83, to mean, in part, the modification of any existing structure or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an “abatement” as defined by 40 C.F.R. § 745.223. The term renovation includes but is not limited to the following: the removal, modification or repair of painted surfaces or painted components (e.g., modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping or other such activities that may generate paint dust)); and the removal of building components (e.g., walls, ceilings, plumbing, windows).
10. The term “firm” is defined at 40 C.F.R. § 745.83, to mean a company, partnership, corporation, sole proprietorship or individual doing business, association or other business entity; a Federal, State, Tribal, or local government; or a nonprofit organization.
11. Pursuant to Section 406 of TSCA, 15 U.S.C. § 2686, and 40 C.F.R. § 745.84(a)(1), firms performing renovations are required to provide the owner of any residential unit of target housing with an EPA-approved pamphlet titled “Renovate Right: Important Lead Hazard Information for Families, Child Care Providers and Schools,” or any State pamphlet approved by the EPA, no more than 60 days prior to beginning the renovation. Firms performing renovations must also obtain from the owner, a written acknowledgement that the owner has received the pamphlet or obtain a certificate of mailing at least seven days prior to the renovation.
12. Pursuant to 40 C.F.R. § 745.84(d)(1), the written acknowledgement required by 40 C.F.R. § 745.84(a)(1) must include a statement recording the owner or occupant’s name and acknowledging receipt of the pamphlet prior to the start of the renovation, the address of the unit undergoing renovation, the signature of the owner or occupant as applicable, and the date of signature.
13. Pursuant to 40 C.F.R. § 745.81(a)(2)(ii), no firm may perform, offer, or claim to perform renovations without having obtained certification from the EPA under 40 C.F.R. § 745.89(a)(1), which requires firms that perform renovations for compensation to apply to the EPA for certification to perform renovations.

14. Pursuant to 40 C.F.R. § 745.89(b)(1)(iii), if a firm fails to obtain recertification before the firm's current certification expires, the firm must not perform renovations or dust sampling until it is certified anew pursuant to 40 C.F.R. § 745.89(a).
15. Pursuant to 40 C.F.R. § 745.89(d)(1), firms performing renovations must ensure that all individuals performing renovation activities are either certified renovators or have been trained by certified renovators and that the renovation activities are performed in accordance with the Work Practice Standards identified in 40 C.F.R. § 745.85.
16. Pursuant to 40 C.F.R. § 745.85 the “Work Practice Standards” that must be followed by firms performing renovations on target housing include, but are not limited to:
  - a. **Occupant Protection.** Firms must post signs clearly defining the work area and warning occupants and other persons not involved in renovation activities to remain outside of the work area. To the extent practicable, these signs must be in the primary language of the occupant. These signs must be posted before beginning the renovation and must remain in place and readable until the renovation and the post renovation cleaning verification have been completed.
  - b. **Exterior Renovations.** Cover the ground with plastic sheeting or other disposable impermeable material extending 10 feet beyond the perimeter of the surface undergoing renovation or a sufficient distance to collect falling paint debris, whichever is greater, unless the property line prevents 10 feet of ground covering. In some instances, the renovation firm must take precautions in containing the work area to ensure that dust and debris from the renovation does not contaminate other buildings or other areas of the property or migrate to adjacent properties.
17. Pursuant to 40 C.F.R. § 745.86, firms performing renovations must retain, and, if requested, make them available to the EPA all records to demonstrate compliance with Subpart E for a period of three years following completion of the renovation. Records that must be retained include, but are not limited to, documentation of compliance with the Work Practice Standards, including documentation demonstrating that a certified renovator was assigned to the project, warning signs were posted to the entrances of the work area, and the work area was contained in accordance with the requirements.
18. Pursuant to 40 C.F.R. § 745.87(b), failure or refusal to establish and maintain records or to make available or permit access to or copying of records, as required by Subpart E, is a violation of TSCA Sections 15 and 409, 15 U.S.C. § § 2614 and 2689.
19. Persons who violate 40 C.F.R. Part 745, Subpart E, are subject to civil penalties pursuant to Section 16 of TSCA, 15 U.S.C. § 2615, and 40 C.F.R. Part 19.

#### IV. FINDINGS OF FACTS

20. Respondent is and was at all times relevant to this CAFO a “firm” that performs “renovations” for compensation as those terms are defined at 40 C.F.R. § 745.83.
21. On June 7, 2022, an EPA inspector conducted an inspection at Respondent’s office located at 928 Savage Road, Charleston, South Carolina 29414, for the purpose of evaluating Respondent’s compliance with 40 C.F.R. Part 745, Subpart E.

22. At the time of the inspection, the EPA inspector requested that Respondent provide certain records pertaining to renovation work performed by Respondent to determine its compliance with 40 C.F.R. Part 745, Subpart E. Respondent advised that it did not have renovation records readily available at its office for EPA's review and that it would email records to the EPA by June 17, 2022.
23. On June 16, 2022, Respondent submitted copies of records to the EPA via email pertaining to renovation work performed by Respondent for compensation at the following private residential addresses on the dates noted ("the Properties"):
  - a. 11 Lord Ashley Drive, Charleston, SC 29407, on or about June 25, 2021; and
  - b. 100 Queen Street, Charleston, SC 29401, on or about July 8, 2021.
24. The Properties were constructed before 1978 and are "target housing" as defined at 40 C.F.R. § 745.103.
25. The records submitted by Respondent showed that at the time the renovation work was being performed, Respondent's firm certification had lapsed and Respondent had not obtained firm recertification as required by 40 C.F.R. § 745.89(b)(1)(iii). As such, Respondent was not authorized to continue to perform renovations or dust sampling at the Properties until it had obtained recertification.
26. The records provided by Respondent to the EPA did not include any evidence that Respondent had provided the owners of the Properties identified in paragraph 23 with an EPA-approved pamphlet as required by 40 C.F.R. § 745.84(a)(1).
27. The records provided by Respondent to the EPA did not include any evidence showing that all individuals performing renovation activities on behalf of Respondent were either certified renovators or had been trained by a certified renovator as required by 40 C.F.R. § 745.89(d)(1).

## **V. ALLEGED VIOLATIONS**

28. Based on its review of Respondent's records as set forth in Section IV above, the EPA alleges that in the course of the renovations of the Properties, Respondent failed to:
  - a. Stop renovations or dust sampling before obtaining firm recertification in violation of 40 C.F.R. § 745.89(b)(1)(iii);
  - b. Provide the owner of the Properties with the EPA-approved lead hazard information pamphlet in violation of 40 C.F.R. § 745.84(a)(1); and
  - c. Ensure that all individuals performing renovation activities on behalf of Respondent are either certified renovators or are trained by a certified renovator in violation of 40 C.F.R. § 745.89(d)(1).

Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:
- a. Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within thirty (30) days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within thirty (30) days of the Effective Date of this CAFO, interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued interest are paid. Interest will be assessed at the rate of the United States Treasury tax and loan rate, as established by the Secretary of the Treasury, in accordance with 31 U.S.C. § 3717(a)(1), 31 C.F.R. § 901.9(b)(2), and 40 C.F.R. § 13.11(a).

This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).
  - c. Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average cost incurred. 31 C.F.R. § 901.9(c) and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.
38. In addition to what is stated in the prior paragraph, if Respondent fails to timely pay any portion of the penalty assessed under this CAFO, the EPA may:

  - b. collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (*see* 40 C.F.R. Part 13, Subparts C and H);
  - c. suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds (*see* 40 C.F.R. § 13.17); and/or

#### **VIII. EFFECT OF CAFO**

40. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged above.
41. Full payment of the civil penalty, as provided in Section VII (Terms of Payment), shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c).
42. Any violation of this CAFO may result in a civil judicial action for or civil penalties as provided in Section 16(a) of the Act, 42 U.S.C. § 2615(a), as well as criminal sanctions as provided in Section 16(b) of the Act, 42 U.S.C. § 2615(b). The EPA may use any information submitted under this CAFO in an administrative, civil judicial, or criminal action.
43. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, State, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, State, or local permit, except as expressly provided herein.
44. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent hazard as provided under the Act.
45. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.

46. The provisions of this CAFO shall apply to and be binding upon Respondent and its officers, directors, employees, agents, trustees, servants, authorized representatives, successors, and assigns.
47. Any change in the legal status of Respondent, or change in ownership, partnership, corporate or legal status relating to the company, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
48. Any change in ownership, partnership, corporate or legal status relating to the Properties, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
49. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential business information or personally identifiable information.
50. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that he or she is fully authorized to execute and enter into the terms and conditions of this CAFO and has the legal capacity to bind the party he or she represents to this CAFO.
51. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
52. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
53. The EPA reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
54. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
55. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.
