Re: Closure of Emergency Administrative
Order
New Fork Narrows Campground
Public Water System
Docket No. SDWA-08-2013-0041
Former PWS ID # WY5680141

Dear Ms. Probert:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Emergency Administrative Order (Order), Docket No. SDWA-08-2013-0041, issued to the USDA Forest Service, Bridger-Teton National Forest, (National Forest), as owner of the New Fork Narrows Campground Public Water System (System), on June 28, 2013.

The EPA is closing the Order at this time following deactivation by the EPA of the New Fork Narrows Campground system as a "public water system" on July 19, 2013, following information from the National Forest that the System would be closed indefinitely.

If you have any questions about this matter, please call Mario Mérida at 303-312-6297.

Sincerely,

Kimberly Pardue Welch, Team Leader
Drinking Water Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
