Re: Approval of Extension of Time for Report required by Administrative Order for Compliance on Consent, Docket No. CWA-08-2014-0029

Dear Mr. Hesse:

This is a response to Ron Orton's December 10, 2014, letter requesting an extension of time for a report required by paragraph 32 of the Administrative Order for Compliance on Consent, Docket No. CWA-08-2014-0029, between the United States Environmental Protection Agency (EPA), Arnegard Holdings, LLC, Arnegard WW Holdings, LLC, and the City of Arnegard. The original deadline for the report was within 60 days after land applying the sewage sludge, which Mr. Orton indicated had been finalized on October 14, 2014. Mr. Orton's letter requested an extension to December 31, 2014, for providing the report, due to the need to collect and compile information from multiple sources. We agree to this extension. The EPA will consider December 31, 2014, as the deadline for submitting the report required by paragraph 32 of this order. If you have any questions or comments, the most knowledgeable person on my staff regarding this matter is Mr. Emilio Llamozas, who can be reached at (303) 312-6407.

Sincerely,
