Re: Proposed Administrative Order and Non-Issuance of the Final Administrative Order
Well Number: 5
EPA Inventory ID: OS5322000
Docket Number: SDWA-06-2021-1118

Dear Mr. Harden:

As you are aware, on August 18, 2021, the U.S. Environmental Protection Agency (EPA) emailed Harden Fossil Fuels, Inc. a Safe Drinking Water Act (SDWA) Proposed Administrative Order to address specific SDWA violations. After receipt of the EPA correspondence, Harden Fossil Fuels, Inc. addressed the violations specified in the Proposed Administrative Order; therefore, EPA shall not issue the corresponding Final Administrative Order. Thank you for your attention to this matter. If you have any questions, please contact Jeanne Eckhart of my staff, at 214-665-8174.

Sincerely,

A handwritten signature in blue ink, reading "Bryant Smalley", is positioned above the printed name and title.
