Docket No. TSCA-07-2007-0024

MOTION FOR EXTENSION OF TIME TO ANSWER

Respondent Larry Neff Management and Development, Inc. requests an extension of time of thirty days, until October 10, 2007, to answer the Complaint, Notice of Proposed Penalty and Notice of Opportunity for Hearing.

In support of this motion, Respondent states that the undersigned counsel was engaged to represent Respondent on September 4, 2007, and has not yet had a full opportunity to review the file and consult with Respondent in order to prepare an answer to defend against the charges in the Complaint. One extension was obtained previously, until September 10, 2007, but Respondent was not at that time represented by the undersigned. Jonathan Meyer, Assistant Regional Counsel for the United States Environmental Protection Agency, has been consulted and does not object to this extension of time. This request is not made for the purpose of undue delay, but in order to allow Respondent's counsel to fully review the record and consult with Respondent to protect Respondent's rights and answer fully.

10, 2007, in which to answer the Complaint, Notice of Proposed Penalty and Notice of Opportunity for Hearing.

Respectfully submitted,

THE WOODY LAW FIRM PC
