Respondent.)

ORDER GRANTING MOTION TO FILE AMENDED COMPLAINT

By Motion dated November 27, 2012, Complainant moved for leave to amend the Complaint. The stated purpose of the Motion is primarily to revise certain counts of the Complaint filed on September 25, 2012 to add allegations of additional violations which allegedly occurred during May-August 2012. The Motion indicates that the Respondent has no opposition to the relief sought.

Section 22.14(c) of the Rules of Practice (40 C.F.R. § 22.14(c)) provides that once an answer has been filed, the Complainant may amend the Complaint only upon motion granted by the Presiding Officer. However, the Rules of Practice provide no standard for determining when leave to amend should be granted. Rule 15(a) of the Federal Rules of Civil Procedure concerning amended pleadings provides that "leave [to amend] shall be freely given when justice so requires." The United States Supreme Court has interpreted this Rule to mean that there should be a "strong liberality...in allowing amendments" to pleadings. Forman v. Davis, 371 U.S. 178 (1962). Leave to amend pleadings under Rule 15(a) should be given freely in the absence of any apparent or declared reason, such as undue delay, bad faith, or dilatory motive on the movant's part, repeated failure to cure deficiencies by previous amendment, undue prejudice, or futility of amendment. Id.

Therefore, the Motion is hereby, GRANTED, and Complainant shall file its Amended Complaint within 10 days from the date of this Order. Further, the case is hereby REMANDED back to Judge M. Lisa Buschmann for continuation of the alternative dispute resolution process previously initiated.
