Respondents))
Proceedings under Section 309(g) of the Clean Water Act, 33 U.S.C. § 1319(g))))

Respondent, Mark Severson ("Severson"), by his attorneys, Davis & Kuelthau, s.c., hereby requests an extension of time to file an answer in the above-captioned matter based upon the following:

 Severson was served with a Complaint and Notice of Opportunity for Hearing on September 27, 2018. The deadline to file a written answer and request for hearing is October 29, 2018.

2. However, Severson is currently in negotiations with Assistant Regional Counsel Kate Reitz of the U.S. Environmental Protection Agency Region 7 ("EPA") and the other respondent to resolve the matter short of further litigation. Attorney Reitz has authorized me to represent that EPA has no objection to Severson's request to extend the time in which to file his answer.

Therefore, Respondent, Mark Severson, respectfully requests an extension of time to file

an answer until November 21, 2018.

Dated this 26th day of October, 2018.
