Subject: RE: Other times & dates the City would be available for talking to Judge

Any of the Tuesdays or Thursdays the third week of March as well as the Thursday for the second week of March are fine. Furthermore we would prefer the time frame remains as agreed upon by all parties as per the last phone conference: 1:00 p.m. MST/MDT

Subject : RE: Other times & dates the City would be available for talking to Judge

Dear Ms. Ganje:

When we spoke earlier this week, we agreed that the EPA and City representatives would be available for a conference call with the Regional Judicial Officer at 1 p.m. Mountain time on Thursday, March 24, 2011. However, the December 29th order from the Judge asked us to provide several dates and times we'd be available. Would you please let me know what Tuesdays and/or Thursdays in March, and what times on each of those days, the City representatives would be available? Thank you.
