**I. NATURE OF ACTION**

1. This is an administrative penalty assessment proceeding brought under Section 16(a) of the Toxic Substances Control Act (TSCA or the Act), 15 U.S.C. § 2615(a), and Sections 22.13(b) and 22.18 of the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits* (Consolidated Rules), as codified at Title 40 of the Code of Federal Regulations (C.F.R.), Part 22.

Having found that settlement is consistent with the provisions and objectives of the Act and applicable regulations, the Parties have agreed to settle this action pursuant to 40 C.F.R. § 22.18 and consent to the entry of this CAFO without Respondent's admission of violation or adjudication of any issues of law or fact herein.

**II. PARTIES**

4. Complainant is the Director of the Enforcement and Compliance Assurance Division, United States Environmental Protection Agency (EPA), Region 4, who has been delegated the authority on behalf of the Administrator of the EPA to enter into this CAFO pursuant to 40 C.F.R. ### III. GOVERNING LAW

6. Section 8(b) of TSCA, 15 U.S.C. § 2607(b), requires the EPA to compile, keep current, and publish a list of each chemical substance that is manufactured or processed, including imports, in the United States for uses under TSCA. The list is commonly known as the “TSCA Inventory” but is also referred to as the TSCA “Master Inventory File” as defined in 40 C.F.R. § 711.3.
7. Pursuant to Section 15 of TSCA, 15 U.S.C. § 2614, it is unlawful for any person to fail to establish or maintain records, submit reports, notices or other information, or permit access to or allow copying of records, including, but not limited to records and reports, as required by Section 8 of TSCA or any regulation thereunder.
8. The term “person” is defined in 40 C.F.R. § 704.3, to include any individual, firm, company, corporation, joint venture, partnership, sole proprietorship, association, or any other business entity; any State or political subdivision thereof; any municipality; any interstate body; and any department, agency, or instrumentality of the Federal Government.
9. The term “manufacturer” is defined in 40 C.F.R. § 711.3, to mean a person who imports, produces, or manufactures a chemical substance.
10. The term “manufacture” is defined in 40 C.F.R. § 711.3, to mean to manufacture for commercial purposes.
11. The term “manufacture for commercial purposes” is defined in 40 C.F.R. § 704.3, to mean to import, produce, or manufacture with the purpose of obtaining an immediate or eventual commercial advantage for the manufacturer, and includes among other things, such “manufacture” of any amount of a chemical substance or mixture: (i) for commercial distribution, including for test marketing; or (ii) for use by the manufacturer, including use for product research and development, or as an intermediate.
12. The term “importer” is defined in 40 C.F.R. § 704.3, to mean any person who imports any chemical substance or any chemical substance as part of a mixture or article into the customs territory of the United States.
13. The term “import” is defined in 40 C.F.R. § 704.3, to mean to import for commercial purposes.
14. The term “import for commercial purposes” is defined in 40 C.F.R. § 704.3, to mean to import with the purpose of obtaining an immediate or eventual commercial advantage for the importer and includes the importation of any amount of a chemical substance or mixture.
15. Pursuant to 40 C.F.R. §§ 711.8(a) and 711.20, any person who manufactured (including imported) for commercial purposes 25,000 pounds or more of a chemical substance described in 40 C.F.R. § 711.5, at any single site owned or controlled by that person, in any of the calendar years 2016, 2017, 2018, or 2019, is subject to the Chemical Data Reporting (CDR) requirements for the 2020 submission period.

16. Pursuant to 40 C.F.R. § 711.5, any chemical substance that is in the TSCA Master Inventory File at the beginning of a submission period described in 40 C.F.R. § 711.20 must be reported pursuant to the CDR requirements under Section 8(a) of TSCA and 40 C.F.R. Part 711, unless the chemical substance is specifically excluded by 40 C.F.R. § 711.6.
17. As referenced in 40 C.F.R. § 711.15, any person who is subject to 40 C.F.R. § 711.8 must submit the information described in 40 C.F.R. § 711.15(a) for each chemical substance described in 40 C.F.R. § 711.5 that the person manufactured (including imported) for commercial purposes in an amount of 25,000 pounds (11,340 kilograms (kgs)) or more, or in an amount of 2,500 pounds (1,134 kgs) or more for chemical substances subject to the rules, orders, or actions described in 40 C.F.R. § 711.8(b), at any one site during any calendar year since the last principal reporting year.
18. The term “principal reporting year” is defined in 40 C.F.R. § 711.3, to mean the latest complete calendar year preceding the submission period.
19. Pursuant to 40 C.F.R. § 711.15(b)(3)(iii), for the principal reporting year only, the total annual domestically manufactured volume (not including imported volume) and the total annual imported volume must be separately reported. These amounts must be reported to two significant figures of accuracy.
20. Pursuant to 40 C.F.R. § 711.20, the 2020 submission period ran from June 1, 2020, until January 29, 2021, and 2020 CDR Reports were required to have been submitted to the EPA during that time period.
21. Any information Respondent has claimed as Confidential Business Information which may support or form the basis for this CAFO has been intentionally redacted. To determine the identity of the chemical substances referenced in this CAFO, or to identify any other information designated as CBI, Respondent and/or Complainant should refer to the Opportunity to Show Cause letter dated May 23, 2024, sent to Respondent identifying potential violations of TSCA and notifying Respondent of the opportunity to show cause why the EPA should not proceed with an enforcement action.

#### **IV. FINDINGS OF FACTS**

22. Respondent is a person as defined in 40 C.F.R. § 704.3, and is an importer of chemicals.
23. On June 22, 2022, the EPA sent Respondent a Notice of Inspection pursuant to Section 11(a) of TSCA, 15 U.S.C. § 2610(a), notifying Respondent that the EPA would be conducting an inspection of Respondent’s Facility to determine its compliance with TSCA. Pursuant to a request in the Notice, Respondent submitted certain records to the EPA prior to the inspection pertaining to its manufacture, exportation, and importation of chemicals. On August 30, 2022, the EPA conducted the TSCA inspection at Respondent’s Facility and on October 4, 2022, the EPA conducted a call with Respondent via Microsoft Teams, during which the EPA inspector and Respondent discussed the records Respondent had submitted prior to the inspection.

24. On May 23, 2024, after reviewing the records submitted by Respondent, the EPA issued Respondent an Opportunity to Show Cause letter identifying potential violations of TSCA Section 8 pertaining to CDR reporting. On October 6, 2024, Respondent provided additional information to the EPA in response to the Opportunity to Show Cause letter.

**Chemical Data Reporting for Chemicals B, C, E, and F [CBI Deleted]**

25. The records submitted by Respondent included import records which revealed that Respondent imported a reportable quantity (greater than 25,000 pounds) of Chemicals B, C, E, and F for commercial purposes in 2019.
26. Chemicals B, C, E, and F were in the TSCA Master Inventory File at the beginning of a submission period described in 40 C.F.R. § 711.20 and are not exempted from the CDR reporting requirements by 40 C.F.R. § 711.6.
27. Pursuant to 40 C.F.R. § 711.15, Respondent was required to submit a 2020 CDR Report to the EPA for reportable chemical substances that were manufactured (including imported) for commercial purposes in quantities greater than 25,000 pounds in calendar years 2016, 2017, 2018, and 2019 by no later than the end of the 2020 CDR submission period, which was January 29, 2021. Chemicals B, C, E, and F were reportable chemical substances imported by Respondent during the 2020 CDR submission period (2016-2019) and were, therefore, subject to the 2020 CDR reporting requirements.
28. During the 2020 CDR submission period, Respondent submitted to the EPA a 2020 CDR Report for other chemicals that were imported for commercial purposes but failed to include Chemicals B, C, E, and F in the 2020 CDR Report.

**Over Or Under-Reporting of Chemicals K, M, N, P, Q, and R (CBI Deleted) in the 2020 CDR Report**

29. Pursuant to 40 C.F.R. § 711.15(b)(3)(iii), for the principal reporting year only, the total annual domestically manufactured volume (not including imported volume) and the total annual imported volume must be separately reported. These amounts must be reported to two significant figures of accuracy. Chemicals K, M, N, P, Q, and R were included in Respondent's 2020 CDR Report that was submitted to the EPA during the reporting period. A comparison between the 2020 CDR Report and Respondent's 2019 production records indicates that Chemicals K, M, N, and P were over-reported (not reported to two significant figures of accuracy), and Chemicals Q and R were under-reported (also not reported to two significant figures of accuracy) in its 2020 CDR Report.

**V. ALLEGED VIOLATIONS**

30. Based on the EPA's review of Respondent's records as set forth above, the EPA alleges that Respondent violated TSCA by failing to:

- a. Submit a 2020 CDR Report for the imported Chemicals B, C, E, and F during the 2020 CDR submission period which ended on January 29, 2021, in violation of 40 C.F.R. §711.15, and Sections 8 and 15 of TSCA, 15 U.S.C. §§ 2607 and 2614; and
- b. Report volumes of the imported Chemicals K, M, N, P, Q, and R to two significant figures of accuracy in violation of 40 C.F.R. § 711.15(b)(3)(iii).

39. Pursuant to 31 U.S.C. § 3717, 31 C.F.R. § 901.9, and 40 C.F.R. § 13.11, if Respondent fails to remit the civil penalty as agreed to herein, the EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the costs of processing and handling the delinquent claim. Accordingly, the EPA may require Respondent to pay the following amounts on any amount overdue:

- a. Interest. Interest will begin to accrue on the civil penalty from the Effective Date of this CAFO. If the civil penalty is paid within thirty (30) days of the Effective Date of this CAFO, interest is waived. However, if the civil penalty is not paid in full within thirty (30) days, interest will continue to accrue on any unpaid portion until the unpaid portion of the civil penalty and accrued interest are paid. Interest will be assessed at the rate of the United States Treasury tax and loan rate, as established by the Secretary of the Treasury, in accordance with 31 U.S.C. § 3717(a)(1), 31 C.F.R. § 901.9(b)(2), and 40 C.F.R. § 13.11(a).
- b. Non-Payment Penalty. On any portion of a civil penalty more than ninety (90) days past due, Respondent must pay a non-payment penalty of not more than six percent (6%) per annum, which will accrue from the date the penalty payment became due and is not paid, as provided in 31 U.S.C. § 3717(e)(2) and 31 C.F.R. § 901.9(d). This non-payment penalty is in addition to charges which accrue or may accrue under subparagraphs (a) and (c) and will be assessed monthly. 40 C.F.R. § 13.11(c).
- c. Monthly Handling Charge. Respondent must pay a late payment handling charge to cover the administrative costs of processing and handling the delinquent claim, based on either actual or average costs incurred. 31 C.F.R. § 901.9(c) and 40 C.F.R. § 13.11(b). Administrative costs will be assessed monthly throughout the period the debt is overdue except as provided by 40 C.F.R. § 13.12.

40. In addition to what is stated in the prior Paragraph, if Respondent fails to timely pay any portion of the penalty assessed under this CAFO, the EPA may:

- a. refer the debt to a credit reporting agency or a collection agency (see 40 C.F.R. §§ 13.13 and 13.14);

- b. collect the debt by administrative offset (i.e., the withholding of money payable by the United States to, or held by the United States for, a person to satisfy the debt the person owes the Government), which includes, but is not limited to, referral to the Internal Revenue Service for offset against income tax refunds (see 40 C.F.R. Part 13, Subparts C and H);
- c. suspend or revoke Respondent's licenses or other privileges, or suspend or disqualify Respondent from doing business with the EPA or engaging in programs the EPA sponsors or funds (see 40 C.F.R. § 13.17); and/or
- d. refer the debt to the Department of Justice for litigation (see 40 C.F.R. § 13.33).

41. Penalties paid pursuant to this CAFO shall not be deductible for purposes of federal taxes.

42. Pursuant to 26 U.S.C. § 6050X and 26 C.F.R. § 1.6050X-1, the EPA is required to send to the Internal Revenue Service (IRS) annually, a completed Form 1098-F ("Fines, Penalties, and Other Amounts") with respect to any court order or settlement agreement (including administrative settlements), that require a payor to pay an aggregate amount that the EPA reasonably believes will be equal to, or in excess of, \$50,000 for the payor's violation of any law or the investigation or inquiry into the payor's potential violation of any law, including amounts paid for "restitution or remediation of property" or to come "into compliance with a law." The EPA is further required to furnish a written statement, which provides the same information provided to the IRS, to each payor (i.e., a copy of IRS Form 1098-F). In order to provide the EPA with sufficient information to enable it to fulfill these obligations, the EPA herein requires, and Respondent herein agrees, that:

- a. Respondent shall complete an IRS Form W-9 ("Request for Taxpayer Identification Number and Certification"), which is available at <https://www.irs.gov/pub/irs-pdf/fw9.pdf>;
- b. Respondent shall therein certify that its completed IRS Form W-9 includes Respondent's correct TIN or that Respondent has applied and is waiting for issuance of a TIN;
- c. Respondent shall email its completed Form W-9 to EPA Region 4's Cincinnati Finance Center contact, Jessica Henderson (Henderson.Jessica@epa.gov), on or before the date that Respondent's initial penalty payment is due, pursuant to Paragraph 35 of this CAFO, and the EPA recommends encrypting Form W-9 email correspondence; and
- d. In the event that Respondent has certified in its completed IRS Form W-9 that it has applied for a TIN and that TIN has not been issued to Respondent within thirty (30) days after the Effective Date of this CAFO, then Respondent, using the same email address identified in the preceding sub-paragraph, shall further:
  - i. notify the EPA's Cincinnati Finance Center of this fact, via email, by the date noted above; and

- ii. provide the EPA's Cincinnati Finance Center with Respondent's TIN, via email, within five (5) days of Respondent's issuance and receipt of the TIN.
- e. Failure to comply with providing IRS Form W-9 or Tax Identification Number (TIN) as described below, may subject Respondent to a penalty, per 26 U.S.C. § 6723, 26 U.S.C. § 6724(d)(3), and 26 C.F.R. § 301.6723-1.

## **VIII. EFFECT OF CAFO**

- 43. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged in Sections IV and V above.
- 44. In accordance with 40 C.F.R. § 22.18(c), full payment of the civil penalty, as provided in Section VII (Terms of Payment) shall satisfy the requirements of this CAFO, but shall not in any case affect the right of the EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law.
- 45. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict the EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
- 46. Nothing herein shall be construed to limit the power of the EPA to undertake any action against Respondent or any person in response to an imminent hazard as authorized under Section 7 of the Act.
- 47. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
- 48. The provisions of this CAFO shall apply to and be binding upon Respondent and its successors and assigns. Respondent shall direct its officers, directors, employees, agents, trustees, and authorized representatives to comply with the provisions of this CAFO, as appropriate.
- 49. Any change in the legal status of Respondent, or change in ownership, partnership, corporate, or legal status relating to the Facility, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
- 50. By signing this Consent Agreement, Respondent acknowledges that this CAFO will be available to the public and agrees that this CAFO does not contain any confidential information under Section 14 of TSCA, 15 U.S.C. § 2613, and 40 C.F.R. Part 2 and the Freedom of Information Act (FOIA), or personally identifiable information.
- 51. By signing this Consent Agreement, the Complainant and the undersigned representative of Respondent each certify that one is fully authorized to execute and enter into the terms and

conditions of this CAFO and has the legal capacity to bind the party one represents to this CAFO.

52. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
53. By signing this Consent Agreement, Respondent certifies that the information it has supplied concerning this matter was at the time of submission, and continues to be, true, accurate, and complete for each such submission, response, and statement. Respondent acknowledges that there are significant penalties for submitting false or misleading information, including the possibility of fines and imprisonment for knowing submission of such information, under 18 U.S.C. § 1001.
54. The EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that the EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to the EPA. If such false or inaccurate material was provided, the EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. The EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
55. It is the intent of the Parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
56. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.

#### **IX. EFFECTIVE DATE**

57. This CAFO shall become effective after execution of the Final Order by the Regional Judicial Officer, on the date of filing with the Regional Hearing Clerk.
