RE: NuStar Refining LLC, EPA Docket No. CAA-06-2012-3444

Dear Ms. Whiting-Beale,

In the matter above, NuStar Refining LLC is the respondent

On behalf of EPA Region 6, I am responding to Judge Biro's letter dated April 11, 2012 concerning alternative dispute resolution. EPA Region 6 is not seeking ADR in this matter because EPA Region 6

and Respondent have reached an agreement in principal to settle this matter and are preparing a consent agreement and final order.

Please let me know if you need any further information,

Jon Bull
