The United States Environmental Protection Agency, Region 8 (EPA or Complainant), and Skoglund Excavating, Inc. (Respondent), by their undersigned representatives, hereby consent and agree as follows:

I. PRELIMINARY STATEMENT

1. The EPA has jurisdiction over this matter pursuant to section 309(a) of the Clean Water Act (CWA or Act), as amended, 33 U.S.C. § 1319(a). The rules for this proceeding are the “Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders and the Revocation, Termination or Suspension of Permits,” 40 C.F.R. part 22, a copy of which has been provided to Respondent.
2. This Consent Agreement is entered into by the parties for the purpose of simultaneously commencing and concluding this matter, as authorized by 40 C.F.R. § 22.13(b), and executed pursuant to 40 C.F.R. § 22.18(b)(2) and (3).
3. For the purposes of this proceeding, Respondent admits the jurisdictional allegations contained in this Consent Agreement, neither admits nor denies the factual allegations contained in this Consent Agreement, and without any admission of liability, consents to the assessment of the civil penalty, and waives any right to a hearing or appeal before any tribunal and to contest any issue of law or fact set forth herein.

4. Complainant asserts that settlement of this matter is in the public interest, and the parties agree that entry of this Consent Agreement without further litigation and without adjudication of any issue of fact or law is the most appropriate means of resolving this matter at the least cost and expense to the Respondent and the EPA.
5. This Consent Agreement, upon incorporation into a final order, applies to and is binding upon the EPA and upon Respondent, and Respondent's employees, agents, successors and assigns. Any transfer of assets or real or personal property shall not alter Respondent's responsibilities under this agreement.
6. This Consent Agreement contains all terms of the settlement agreed to by the parties.

II. GENERAL ALLEGATIONS

7. Skoglund Excavating, Inc. is a corporation organized under the laws of the State of Colorado. The principal address for Skoglund Excavating, Inc. is 1100 Broadway Street, Moffat, Colorado, 81143. Its registered agent is Fleming & Associates, LLP, located at 430 W. Grand Avenue, Salida, Colorado 81201.
8. At all relevant times, Robert Gregg Sease owned, leased, controlled and/or operated property located in Sections 5, 7, and 8, Township 45 North, Range 5 East of the N.M.P.M., Saguache County, Colorado including Sheep Creek and its adjacent wetlands (the Site).
9. Sheep Creek is a relatively permanent tributary to San Luis Lake. From the Site, Sheep Creek flows approximately 3.1 miles to Saguache Creek, which flows approximately 60 miles to San Luis Creek, which flows approximately 20 miles to San Luis Lake. San Luis Lake is currently used, or was used in the past, or may be susceptible to use by interstate or foreign travelers, for recreational or other interstate or foreign commerce.
10. Sometime between September 2011 and August 2012, Respondent, at the direction of Robert Gregg Sease, discharged dredged or fill material into Sheep Creek and its adjacent wetlands at approximately 86 locations over 1.66 miles of Sheep Creek at the Site.

11. Robert Gregg Sease contracted with Respondent and Christopher Lovato to conduct the activities found in paragraph 10.
12. On July 24, 2012, the Colorado Division of Water Resources (CODWR) informed the Corps and the EPA about ongoing activities in Sheep Creek and its adjacent wetlands at the Site that CODWR observed during an inspection of the Site on July 18, 2012.
13. On August 29, 2012, a multi-agency inspection was conducted at the Site with Robert Gregg Sease, his legal counsel, and Bikis Water Consultants, LLC. The agencies participating in this inspection included the U.S. Army Corps of Engineers (Corps), the EPA, and the CODWR. During this inspection, the EPA and the Corps found that the activities described in paragraph 10 were conducted without a permit required by section 404 of the CWA, 33 U.S.C. § 1344, in violation of section 301 of the CWA, 33 U.S.C. § 1311.
14. Respondent is a “person” as defined in section 502(5) of the CWA, 33 U.S.C. § 1362(5).
15. The activities described in paragraph 10 were performed using common earthmoving vehicles and equipment, all of which were operated by Respondent and/or by persons acting on its behalf.
16. The vehicles and equipment described in paragraph 15 are and were at all relevant times each a “point source” as defined in section 502(14) of the CWA, 33 U.S.C. § 1362(14).
17. The discharged dredged or fill material referenced in paragraph 10 above is and was at all relevant times “dredged material” or “fill material” within the meaning of 33 C.F.R. § 323.2(c) or 33 C.F.R. § 323.2(e), respectively, and “pollutants” within the meaning of section 502(6) of the CWA, 33 U.S.C. § 1362(6).
18. Sheep Creek and its adjacent wetlands filled and disturbed by Respondent’s unauthorized activities provided various functions and values, including: wildlife habitat for birds, mammals, reptiles and amphibians; water quality enhancement; flood attenuation; and/or aesthetics.

19. Sheep Creek and its adjacent wetlands referenced above are and were at all relevant times “waters of the United States” as defined in 33 C.F.R. § 328.3(a) and therefore “navigable waters” as defined in section 502(7) of the CWA, 33 U.S.C. § 1362(7).
20. The placement of dredged or fill material into Sheep Creek and its adjacent wetlands constitutes the “discharge of pollutants” as defined in section 502(12) of the CWA, 33 U.S.C. § 1362(12).
21. Section 301(a) of the CWA, 33 U.S.C. § 1311(a), prohibits, among other things, the discharge of pollutants by any person into waters of the United States except as in compliance with section 404 of the CWA, 33 U.S.C. § 1344(a).
22. Section 404 of the CWA, 33 U.S.C. § 1344, sets forth a permitting system authorizing the Secretary of the Army, acting through the Chief of Engineers of the Corps, to issue permits for the discharge of dredged or fill material into navigable waters which are defined as waters of the United States.
23. According to 33 C.F.R. § 323.3(a), a permit issued by the Corps is required for the discharge of dredged or fill material into waters of the United States, unless an exemption pursuant to 33 C.F.R. § 323.4 applies.
24. Respondent is not and never has been authorized by a permit issued pursuant to section 404 of the CWA, 33 U.S.C. § 1344, to conduct any of the activities described in paragraph 10.

III. DESCRIPTION OF VIOLATION

25. The activities conducted by Respondent and/or by persons acting on his behalf as described in paragraph 10 violate section 301(a) of the CWA, 33 U.S.C. § 1311(a). Each discharge of pollutants from a point source by Respondent into waters of the United States without the required permits issued pursuant to section 404 of the CWA, 33 U.S.C. § 1344, constitutes a violation of section 301(a) of the CWA, 33 U.S.C. § 1311(a). Each day the discharges remain in place without the required permits constitutes an additional day of violation of section 301(a) of

the CWA. The period of violation for which the EPA is seeking penalties began sometime between September 2011 and August 2012 and continues to this day.

26. Robert Gregg Sease and Christopher Lovato have entered into a consent agreement with the EPA resolving their civil penalty liability for the discharges described in paragraph 10.
27. Removal of the dredged or fill material from Sheep Creek and its adjacent wetlands will be addressed in an Administrative Order on Consent entered into with Robert Gregg Sease under section 309(a) of the Clean Water Act, 33 U.S.C. § 1319(a).

IV. CIVIL PENALTY

28. Section 309(g)(2)(B) of the Act, 33 U.S.C. § 1319(g)(2)(B), authorizes the EPA, after consultation with the State of Colorado, to impose administrative penalties up to \$16,000, for each violation of the Act, with a total maximum allowed penalty of \$37,500, for Class I violations, as adjusted by the Civil Monetary Penalty Inflation Adjustment Rule, 78 Fed. Reg. 66643 (November, 6, 2013).
29. Pursuant to section 309(g)(2)(B) of the Act, 33 U.S.C. § 1319(g)(2)(B), and based on the extent of the violations, Respondent's violations, the degree culpability, and other factors, the EPA has determined that an appropriate civil penalty to settle this matter is \$4,000.00.
30. Complainant will consult with the State of Colorado on the appropriateness of the penalty in this matter during the public notice period required by 40 C.F.R. § 22.45.

V. TERMS AND CONDITIONS

31. Respondent consents and agrees to pay a civil penalty in the amount of \$4,000.00 in the manner described below:

34. Nothing in this Consent Agreement shall be construed as a waiver by the EPA or any other federal entity of its authority to seek costs or any appropriate penalty associated with any collection action instituted as a result of Respondent's failure to perform pursuant to the terms of this Consent Agreement.

35. The undersigned representative of Respondent certify that he is fully authorized to enter into the terms and conditions of this Consent Agreement and to bind Respondent to the terms and conditions of this Consent Agreement.

36. In accordance with 40 C.F.R. § 22.45, the EPA will provide public notice of this action. The EPA may modify or withdraw its consent to this Consent Agreement if comments received disclose facts or considerations which indicate that the Consent Agreement is inappropriate,

improper, or inadequate. Respondent agrees not to withdraw from, oppose the Regional Judicial Officer's entry of a final order, or challenge any provision of this Consent Agreement, unless the EPA has notified Respondent in writing that it no longer supports entry of the Consent Agreement.

37. Unless the EPA determines that comments received during the public comment period require modification of or withdrawal from this Consent Agreement by the EPA, the parties agree to submit this Consent Agreement to the Regional Judicial Officer, with a request that it be incorporated into a final order.
38. Each party shall bear its own costs and attorney fees in connection with this matter.
39. This Consent Agreement, upon incorporation into a Final Order and full satisfaction by the parties, shall be a complete and full resolution of Respondent's liability for civil penalties for the violations alleged in paragraph 25.
