Bridger Valley Joint Powers Board
PWS ID # WY5600757

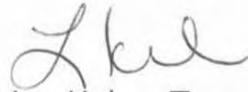

Dear Messrs. Stoddard and Irick:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Emergency Administrative Order (Emergency Order), Docket No. SDWA-08-2008-0056, issued to the Bridger Valley Joint Powers Board (system) on May 21, 2008. EPA has determined that the system has completed all actions outlined in the Emergency Order, the August 12, 2008 Emergency Order Addendum and the December 5, 2008 2nd Emergency Order Addendum and therefore will close the Emergency Order at this time.

Please be aware that Bridger Valley Joint Powers Board is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Kimberly Pardue Welch at 303-312-6983. Thank you for resolving these issues.

Sincerely,

Lisa Kahn, Team Leader
