Subject: Closure of Administrative Order – Grandma's Inn WY5600416, Docket No. SDWA-08-2024-0021, Goshen County

Kuldip Singh,

The EPA has decided to close the Administrative Order (Order) regarding the public water system specified in the subject line, since the system is no longer an active public water system.

Please be aware that if your system is ever reactivated, you are still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties.

If you have any questions regarding this matter, please contact me.
