CONSENT AGREEMENT AND FINAL ORDER

I. Nature of the Action

1. This is a civil penalty proceeding pursuant to Section 325 of the Emergency Planning and Community Right-to-Know Act (EPCRA), 42 U.S.C. § 11045, and pursuant to the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), codified at 40 C.F.R. Part 22. Complainant is the Director of the Air, Pesticides and Toxics Management Division, Region 4, United States Environmental Protection Agency (EPA). Respondent is Alto Products Corp.

2. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. § 22.13(b) and 22.18(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

II. Preliminary Statements

3. The authority to take action under Section 325 of EPCRA, 42 U.S.C. § 11045, is vested in the Administrator of EPA. The Administrator of EPA has delegated this authority under EPCRA to the Regional Administrators by EPA Delegation 22-3-A, dated May 11, 1994. The Regional Administrator, Region 4, has redelegated this authority to the Director, Air, Pesticides and Toxics Management Division, by EPA Region 4 Delegation 22-3-A, dated November 8, 1994. Pursuant to that delegation, the Director of the Air, Pesticides and Toxics Management Division has the authority to commence an enforcement action as the Complainant in this matter.

4. Respondent is Alto Products Corp., a corporation doing business in the State of Alabama.

5. Respondent is a "person" as defined in Section 329(7) of EPCRA, 42 U.S.C. § 11049(7).

6. Respondent owns and operates a "facility" as that term is defined by Section 329(4) of EPCRA, 42 U.S.C. § 11049(4).

7. Respondent's facility is located at 1 Alto Way, Atmore, Alabama.

III. EPA's Allegation of Violations

8. Section 312 of EPCRA, 42 U.S.C. § 11022, and the regulations found at 40 C.F.R. Part 370, provide that the owner or operator of a facility that is required to prepare or have available a Material Safety Data Sheet (MSDS) for hazardous chemicals under the Occupational Safety and Health Act of 1970 (OSHA) and regulations promulgated under that Act, shall submit to the Local Emergency Planning Committee (LEPC), the State Emergency Response Commission (SERC), and the fire department with jurisdiction over the facility, by March 1, 1988, and on or before March 1 annually thereafter, a completed emergency and hazardous chemical inventory form (Tier I or Tier II) as described in 40 C.F.R. Part 370, containing the information required by that part for hazardous chemicals present at the facility at any one time in the calendar year in amounts equal to or greater than 10,000 pounds and containing the information required by that part for extremely hazardous substances (EHS) present at the facility at any one time in amounts equal to or greater than the threshold planning quantity (TPQ) or 500 pounds, whichever is less.

9. At some time during the calendar year of 2009 sulfuric acid was present at the facility in an amount equal to or greater than 500 pounds.

10. Sulfuric acid is an "extremely hazardous substance" as defined under Section 329(3) of EPCRA, 42 U.S.C. § 11049(3), for which Respondent is required to prepare or have available an MSDS under OSHA at its facility.

11. Respondent failed to submit a completed Emergency and Hazardous Chemical Inventory Form for sulfuric acid to the SERC, the LEPC, and fire department with jurisdiction over the facility for calendar year 2009 by March 1 of the following calendar year.

12. EPA alleges that Respondent violated the reporting requirements of Section 312 of EPCRA, 42 U.S.C. § 11022, at its facility for calendar year 2009 and is therefore subject to the assessment of penalties under Section 325 of EPCRA, 42 U.S.C. § 11045.

IV. Consent Agreement

13. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set out above but neither admits nor denies the factual allegations set out above.

14. Respondent waives any right to contest the allegations and its right to appeal the proposed final order accompanying the Consent Agreement.

15. Respondent consents to the assessment of and agrees to pay the civil penalty as set forth in this CAFO.

16. Respondent certifies that as of the date of its execution of this CAFO, it is in compliance with all relevant requirements of EPCRA at the facility.

17. Compliance with this CAFO shall resolve the allegations of violations contained herein. This CAFO shall not otherwise affect any liability of Respondent to the United States other than as expressed herein. Neither EPA nor Complainant waives any right to bring an enforcement action against Respondent for a violation of any federal or state statute, regulation or permit; to initiate an action for imminent and substantial endangerment; or to pursue criminal enforcement.

18. Complainant and Respondent agree to settle this matter by their execution of this CAFO. The parties agree that the settlement of this matter is in the public interest and that this CAFO is consistent with the applicable requirements of EPCRA.

V. Final Order

19. Respondent shall pay a civil penalty of SEVEN THOUSAND EIGHTY DOLLARS (\$7,080) plus an interest charge of THIRTY EIGHT DOLLARS and FORTY CENTS (\$38.40), for the violations alleged in Section III. Payment shall be paid in 12 monthly payments according to the following schedule:

21. For the purposes of state and federal income taxes, Respondent shall not be entitled, and agrees not to attempt, to claim a deduction for any civil penalty payment made pursuant to this CAFO. Any attempt by Respondent to deduct any such payments shall constitute a violation of this CAFO.

22. If Respondent fails to make one of the installment payments in accordance with the schedule set forth above, and if such payment is not made within 30 days after the due date, then payment plus all subsequent payments (the entire unpaid balance) and all accrued interest shall become immediately due and payable on the 31st day from such due date. In addition, Respondent shall be liable for and shall pay administrative handling charges and late payment penalty charges as described below in the event of any such failure or default.

23. Further, if Respondent fails to pay the installment payments in accordance with the schedule set forth above, EPA may refer the debt to a collection agency, a credit reporting agency, or to the Department of Justice for filing of a collection action in the appropriate United States District Court. In any such collection action, the validity, amount, and appropriateness of the assessed penalty of this CAFO shall not be subject to review.

24. Notwithstanding Respondent's agreement to pay the assessed civil penalty in accordance with the installment schedule set forth above, Respondent may pay the entire civil penalty of SEVEN THOUSAND EIGHTY DOLLARS (\$7,080), for the EPCRA violations within thirty (30) calendar days after the date on which a copy of this CAFO is mailed or hand-delivered to Respondent and, thereby, avoid the payment of interest pursuant to 40 C.F.R. § 13.11(a). In addition, Respondent may, at any time after commencement of payments under the installment schedule, elect to pay the entire principal balance remaining, together with interest accrued up to the date of such full payment.

25. Pursuant to 31 U.S.C. § 3717, EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim. Interest will therefore begin to accrue on the civil penalty from the effective date of this CAFO if the penalty is not paid by the date required. Interest will be assessed at the rate established by the Secretary of Treasury pursuant to 31 U.S.C. § 3717. A charge will be assessed to cover the costs of debt collection, including processing and handling costs and attorney fees. In addition, a penalty charge will be assessed on any portion of the debt that remains delinquent more than ninety (90) days after payment is due.

26. Complainant and Respondent shall bear their own costs and attorney fees in this matter.

27. This CAFO shall be binding upon the Respondent, its successors and assigns.
