Dear Mr. Jewel:

Enclosed is an Administrative Order issued by the Environmental Protection Agency (EPA) under the authority of the Safe Drinking Water Act (SDWA), 42 U.S.C. section 300g-3(g). Among other things, the Order describes how the Beaverhead Campground South Public Water System has violated the National Primary Drinking Water Regulations.

The Order is effective upon the date received. Please review the Order and within 10 days provide EPA with any information you believe EPA may not have. If you comply with the Order for twelve months, EPA may close the Order without further action. Failure to comply with the Order may lead to substantial civil penalties and/or a Federal court injunction ordering compliance.

You may submit information or request an informal conference with EPA by contacting Eric Finke at the above address or by phone at toll free (866) 457-2690 extension 5026, or (406) 457-5026.
