**MEMORANDUM**

Respondents, Thomas J. and Dianne M. Woodruff, respectfully request a 30 day extension of time until February 27, 2012, to file an Answer to the EPA's Complaint. The reason for the extension is that Respondents have settled this matter and signed a Consent Agreement and Final Order (CAFO). On January 18, 2012, the CAFO was sent to the EPA by ordinary U.S. Mail. Respondents submit that that a brief extension of time is requested to obtain the signatures of representatives of the EPA and finalize this matter. Counsel for the EPA, Ann Coyle, does not have any objections to the extension.

For the above-stated reasons, Respondents, Thomas J. and Dianne M. Woodruff, respectfully that their Motion for an Extension of Time until February 27, 2012, be granted.

Respectfully submitted,

---
