Re: Request for an extension to answer complaint  
Docket No. TSCA-02-2010-9266

Dear Karen Maples,

This is a request for an extension of forty five days in which to answer the above complaint. Many of the files referred to in the complaint have been archived and need to be retrieved, and I also need to find an attorney familiar with the type of law connected to your complaint. On September 27<sup>th</sup>, 2010, I wrote a letter to Stuart M. Keith requesting an informal conference which I am hoping to attend to better understand the complaint. Please be so kind as to either grant or refuse my request as soon as possible so that I don't end up in default.

Sincerely,

Demetrios Moragianis, mgr of LLC
