Subject: Closure of Administrative Order - Ulm School District No 85 PWSID# MT0000765, SDWA-08-2025-0028, Cascade County

The EPA has decided to close the Administrative Order (Order) regarding the Ulm School Dist 85 Public Water System. The EPA has determined that there are no remaining requirements of the Order. The system completed the lead service line inventory and public notice requirements.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact me.
