Re: Closure of Administrative Order
Docket No. SDWA-08-2009-0041
United Methodist Camp on the Boulder
Public Water Supply
PWS ID # MT0001688

Dear Mr. Shellenberg:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), issued to the United Methodist Camp on the Boulder public water system on April 20, 2009. The EPA has determined that the United Methodist Camp on the Boulder public water supply system has complied with the terms of the Order and, therefore, we will close it at this time.

Please be aware that the United Methodist Camp on the Boulder is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If you have any questions about this matter, please call Sienna Meredith at 406-457-5026. Thank you for resolving these issues.

Sincerely,

Julie A. DalSoglio, Director
EPA Region 8 Montana Office
