IV. FINDINGS OF FACT AND CONCLUSIONS OF LAW

10. In accordance with 40 C.F.R. § 22.13(b) and .18(b)(2) and (3) of the *Consolidated Rules of Practice*, Complainant alleges and adopts the Findings of Fact and Conclusions of Law set forth immediately below.

12. Pursuant to 40 C.F.R. § 745.83, the term “renovation” means “the modification of any existing structure, or portion thereof that results in the disturbance of painted surfaces,

unless that activity is performed as part of an abatement as defined by 40 C.F.R. § 745.223.”

13. Pursuant to Section 401(17) of TSCA, 15 U.S.C. § 2681(17), and 40 C.F.R. § 745.103, the term “target housing” means “any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than 6 years of age resides or is expected to reside in such housing) or any 0-bedroom dwelling.”
14. Respondent, at all times relevant to the violations alleged in this Consent Agreement, was a “firm,” who performed a “renovation,” as those terms are defined at 40 C.F.R. § 745.83 at the property located at 24801 Frederick Rd., Clarksburg, MD 20871 (“24801 Frederick Rd.”).
15. 24801 Frederick Rd., referred to above, was constructed prior to 1978 and is “target housing” as that term is defined at 40 C.F.R. § 745.103.
16. Respondent entered into a contract on or around November 13, 2012 with the owner of 24801 Frederick Rd., for the purpose of performing a “renovation for compensation” pursuant to 40 C.F.R. § 745.82(a) at 24801 Frederick Rd.
17. The “renovation performed for compensation” at 24801 Frederick Rd. did not involve a renovation in target housing or a child-occupied facility in which:
 - (1) “a written determination ha[d] been made by an inspector or risk assessor ... that the components affected by the renovation are free of paint or other surface coatings that contain lead equal to or in excess of 1.0 milligrams/per square centimeter . . .,” as provided at 40 C.F.R. § 745.82(a)(1);
 - (2) “a certified renovator, using an EPA recognized test kit . . ., has tested each component affected by the renovation and determined that the components are free of paint or other surface coatings that contain lead equal to or in excess of 1.0 milligrams/per square centimeter . . .,” as provided at 40 C.F.R. § 745.82(a)(2); or
 - (3) “a certified renovator has collected a paint chip sample from each painted component affected by the renovation and a laboratory recognized by EPA . . . has determined that the samples are free of paint or other surface coatings that contain lead equal to or in excess of 1.0 milligrams/per square centimeter . . .,” as provided at 40 C.F.R. § 745.82(a)(3).
18. On February 21, 2013, Complainant conducted an inspection of the premises at 24801 Frederick Rd., as well as the Respondent’s business records, to further determine Respondent’s level of compliance with the RRP rule in regards to certain renovation activities performed by Respondent in 2012 and 2013 in Maryland.

VI. CIVIL PENALTY

48. In settlement of EPA's claims for civil penalties assessable for the violations alleged in this Consent Agreement, Respondent consents to the assessment of a civil penalty in the amount of **Twenty One Thousand One Hundred and Ninety Six Dollars (\$21,196.00)** which Respondent shall be liable to pay in accordance with the terms set forth below.

Such civil penalty amount shall become due and payable immediately upon Respondent's receipt of a true and correct copy of this CAFO. If Respondent pays the entire penalty of \$21,196.00 within thirty (30) calendar days of the date on which this CAFO is mailed or hand-delivered to Respondent, no interest will be assessed against the Respondent pursuant to 40 C.F.R. § 13.11(a)(1).

49. The Parties represent that the settlement terms are reasonable and are based upon EPA's consideration of a number of factors, including the penalty criteria set forth in Section 16(a)(2)(B) of TSCA, 15 U.S.C. § 2615(a)(2)(B), *i.e.*, the nature, circumstances, extent and gravity of the violations, and with respect to the Respondent's, ability to pay, effect on ability to continue to do business, any history of prior such violations, the degree of culpability, and such other matters as justice may require. These factors were applied to the particular facts and circumstances of this case with specific reference to EPA's *Consolidated Enforcement Response and Penalty Policy for the Pre-Renovation Education Rule; Renovation, Repair and Painting Rule; and Lead-Based Paint Activities Rule ("LBP Consolidated ERPP")*, dated August 2010.
50. Respondent has asserted that it will not be able to pay the civil penalty amount in full within thirty (30) calendar days of the date on which this CAFO is mailed or hand-delivered. As a result, it is the understanding of the Parties that the Respondent will pay the civil penalty in three (3) monthly installments and will pay interest at the rate of 1% per annum on the outstanding principal balance according to the following schedule:

1st payment is due within 30 days of the date on which the CAFO is mailed or hand-delivered to the Respondents = \$7,082.75;

2nd payment is due within 60 days of the date on which the CAFO is mailed or hand-delivered to the Respondents = \$7,076.95;

3rd payment is due within 90 days of the date on which the CAFO is mailed or hand-delivered to the Respondents = \$7,071.15;

Under this proposed repayment schedule, the Respondent will pay the civil penalty of \$21,196.00 plus interest of \$34.85 as further outlined in the chart below:

Payment	Principal	Interest	Payment Amount Due
1	\$7,065.33	\$17.42	\$7,082.75
2	\$7,065.33	\$11.62	\$7,076.95
3	\$7,065.34	\$5.81	\$7,071.15
Total	\$21,196.00	\$34.85	\$21,230.85

51. Payment of the civil penalty amount shall be made by either cashier's check, certified check or electronic wire transfer, in the following manner:

53. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim, as more fully described below. Accordingly, Respondent's failure to make timely payment or to comply with the conditions in this Consent Agreement and the attached Final Order shall result in the assessment of late payment charges including interest, penalties, and/or administrative costs of handling delinquent debts.
54. The costs of the EPA's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue. 40 C.F.R. § 13.11(b). Pursuant to Appendix 2 of EPA's *Resources Management Directives - Cash Management*, Chapter 9, EPA will assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each subsequent thirty (30) days the penalty remains unpaid.
55. A late penalty payment of six percent (6%) per year will be assessed monthly on any portion of the civil penalty which remains delinquent more than ninety (90) calendar days. 40 C.F.R. § 13.11(c). Should assessment of the penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. 31 C.F.R. § 901.9(d).
56. The Respondent agrees not to deduct for federal tax purposes the civil monetary penalty specified in this Consent Agreement and the accompanying Final Order.

VII. EFFECT OF SETTLEMENT

57. The settlement set forth in this CAFO shall constitute full and final satisfaction of all civil claims for penalties which Complainant may have under TSCA for the specific violations alleged in Section IV (“Findings of Fact and Conclusions of Law”), above. Compliance with this CAFO shall not be a defense to any action commenced at any time for any other violation of the federal laws and regulations administered by EPA.

VIII. OTHER APPLICABLE LAWS

58. Nothing in this CAFO shall relieve Respondent of the obligation to comply with all applicable federal, state, and local laws and regulations.

IX. CERTIFICATION OF COMPLIANCE

59. Respondent certifies to EPA, upon personal investigation and to the best of its knowledge and belief that it currently is complying with applicable provisions of TSCA and 40 C.F.R. Part 745.

X. RESERVATION OF RIGHTS

60. This Consent Agreement and the accompanying Final Order resolve only EPA’s claims for civil monetary penalties for the specific violations alleged against the Respondent in this CAFO. EPA reserves the right to commence action against any person, including Respondent, in response to any condition which EPA determines may present an imminent and substantial endangerment to the public health, public welfare, or the environment. In addition, this settlement is subject to all limitations on the scope of resolution and to the reservation of rights set forth in Section 22.18(c) of the Consolidated Rules of Practice, 40 C.F.R. § 22.18(c). Further, EPA reserves any rights and remedies available to it under TSCA and any other federal laws or regulations for which EPA has jurisdiction, to enforce the provisions of this CAFO following its filing with the EPA Regional Hearing Clerk.
