PREHEARING ORDER

As you have been previously notified, I am designated to preside over this proceeding. This proceeding will be governed by the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits, 40 C.F.R. § 22.1 et seq. (“Rules of Practice”). The parties are advised to familiarize themselves with the applicable statute(s) and the Rules of Practice. An informal Practice Manual and significant decisions issued by the EPA Office of Administrative Law Judges are accessible on the world wide web at: <http://www.epa.gov/oalj>.

Agency policy strongly supports settlement and the procedures regarding documenting settlements are set forth in Section 22.18 of the Rules of Practice, 40 C.F.R. § 22.18. The parties are commended for taking the initiative to resolve this matter informally and expeditiously through Alternate Dispute Resolution. Each party is reminded that pursuing this matter through a hearing and possible appeals will require the expenditure of significant amounts of time and financial resources. The parties should also realistically consider the risk of not prevailing in the proceeding despite such expenditures. A settlement allows the parties to control the outcome of the case, whereas a judicial decision takes such control away. With such thoughts in mind the parties are directed to engage in a settlement conference on or before **June 25, 2010**, and attempt to reach an amicable resolution of this matter. Complainant shall file a status report regarding settlement on or before **July 2, 2010**. If the case is settled, the Consent Agreement and Final Order signed by the parties should be filed no later than **July 16, 2010**, with a copy sent to the undersigned.

Should a Consent Agreement not be finalized on or before the latter date, the parties must prepare for hearing and shall strictly comply with the prehearing requirements of this Order.

This Order is issued pursuant to Section 22.19(a) of the Rules of Practice, 40 C.F.R. § 22.19(a). Accordingly, it is directed that the following prehearing exchange take place between the parties:

1. Pursuant to Section 22.19(a) of the Rules of Practice, each party shall file with the Regional Hearing Clerk and shall serve on the opposing party and on the Presiding Judge:

(A) the names of the expert and other witnesses intended to be called at hearing, identifying each as a fact witness or an expert witness, with a brief narrative summary of their expected testimony, or a statement that no witnesses will be called;

(B) copies of all documents and exhibits intended to be introduced into evidence. Included among the documents produced shall be a curriculum vita or resume for each identified expert witness. The documents and exhibits shall be identified as Complainant's Exhibit ("CX") or Respondent's Exhibit ("RX"), as appropriate, and numbered with Arabic numerals (e.g., CX 1 or RX 1); and

(C) a statement as to its views as to the appropriate place of hearing and an estimate of the time needed to present its direct case. See Sections 22.21(d) and 22.19(d) of the Rules of Practice. Also, state whether translation services are necessary in regard to the testimony of any anticipated witness(es), and, if so, state the language to be translated.

2. In addition, Complainant shall submit the following as part of its Initial Prehearing Exchange:

(A) a copy of the pertinent portions of Permit referenced in Paragraphs 9-16 and 22 of the Complaint;

(B) a copy of any report(s) of the May 25, 2006 inspection referenced in Paragraph 25 of the Complaint, and a copy of any maps, drawings, diagrams, photographs, videos, and/or field notes created or taken during the inspection;

(C) a copy of any report(s) of the June 27, 2006 inspection referenced in Paragraph 26 of the Complaint, and a copy of any maps, drawings, diagrams, photographs, videos, and/or field notes created or taken during the inspection;

(D) a copy of any other documents in support of the allegations in Paragraphs 25 and 26 of the Complaint;

(E) a copy of the SWPPP submitted to the Utah Division of Water Quality (DWQ) by Respondent, referenced in Paragraph 27 of the Complaint;

(F) a copy of the SWPPP submitted to EPA by Respondent's consultant, referenced in Paragraph 28 of the Complaint;

(G) a copy of any documentation, photographs or other evidence supporting the allegation in Paragraph 29 of the Complaint that Respondent completed construction activity at the Site on December 31, 2006;

(H) a copy of the requests for information issued by EPA on May 14, 2008, and June 12, 2008, referenced in Paragraph 30 of the Complaint;

(I) a copy of any response to the aforementioned request for information, referenced in Paragraph 31 of the Complaint;

(J) a copy of any documentation supporting the allegation in Paragraph 33 of the Complaint that stormwater originating at the Site flowed into a detention pond and ultimately flowed into the Jordan River; and

(K) a statement regarding whether the Paperwork Reduction Act of 1980 (PRA), 44 U.S.C. § 3501 *et seq.*, applies to this proceeding, whether there is a current Office of Management and Budget control number involved herein and whether the provisions of Section 3512 of the PRA are applicable in this case.

3. Respondent shall submit the following as part of its Prehearing Exchange:

(A) a narrative statement, and a copy of any documents in support, explaining in detail Respondent's affirmative defense in Paragraph 2 of the Answer that "any violations, if any did not concern property covered under the Permit, and did not concern property owned by Respondent," along with a copy of any deeds, maps, diagrams, photographs or documents in support thereof;

(B) a narrative statement, and any and all documents it intends to rely upon in support, explaining in detail the factual and/or legal bases for Respondent's denial of the factual allegations set forth in Paragraphs 25 and 26 of the Complaint;

(C) a copy of any documents in support of Respondent's assertion regarding the completion of construction activity in Paragraph 4 of the Answer;

(D) a copy of any documents in support of Respondent's assertion that water never escaped from the detention pond into the Jordan River, as stated in Paragraph 5 of the Answer;

(E) if Respondent takes the position that it is unable to pay the proposed penalty, a copy of any and all documents upon which it intends to rely in support of such position; and

(F) if Respondent takes the position that the proposed penalty should be reduced or eliminated on any other grounds, a copy of any documents in support.

4. Complainant shall submit as part of its Rebuttal Prehearing Exchange a statement and/or any documents in response to Respondent's Prehearing Exchange submittals with respect to provisions 3(A) through 3(F) above.

The Prehearing Exchanges called for above shall be filed in seriatim fashion, pursuant to the following schedule:

- July 16, 2010** - Complainant's Initial Prehearing Exchange
- July 30, 2010** - Respondent's Prehearing Exchange, including any direct and/or rebuttal evidence
- August 13, 2010** - Complainant's Rebuttal Prehearing Exchange

Section 22.19(a) of the Rules of Practice provides that, except in accordance with Section 22.22(a), any document not included in the Prehearing Exchange shall not be admitted into evidence, and any witness whose name and testimony summary are not included in the prehearing exchange shall not be allowed to testify. Therefore, each party should thoughtfully prepare its Prehearing Exchange. Any supplement to a party's Prehearing Exchange shall be filed with an accompanying motion to supplement the Prehearing Exchange.

The Complaint herein gave Respondent notice and opportunity for a hearing, in accordance with Section 554 of the Administrative Procedure Act (APA), 5 U.S.C. § 554. In its Answer to the Complaint, Respondent requested such a hearing. In this regard, Section 554(c)(2) of the APA sets out that a hearing be conducted under Section 556 of the APA. Section 556(d) provides that a party is entitled to present its case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross-examination as may be required for a full and true disclosure of the facts. Thus, Respondent has the right to defend against Complainant's charges by way of direct evidence, rebuttal evidence or through cross-examination of Complainant's witness(es). Respondent is entitled to elect any or all three means to pursue its defenses. If Respondent intends to elect only to conduct cross-examination of Complainant's witness(es) and to forgo the presentation of direct and/or rebuttal evidence, Respondent shall serve a statement to that effect on or before the date its Prehearing Exchange is due. **Respondent is hereby notified that its failure to either comply with the prehearing exchange requirements set forth herein or to state that it is electing only to conduct cross-examination of Complainant's witness(es), can result in the entry of a default judgment against it.** Complainant is notified that its failure to file its Prehearing Exchange in a timely manner can result in a dismissal of the case with prejudice.

**THE MERE PENDENCY OF SETTLEMENT NEGOTIATIONS OR EVEN THE EXISTENCE OF A SETTLEMENT IN PRINCIPLE DOES NOT CONSTITUTE A BASIS FOR FAILING TO STRICTLY COMPLY WITH THE PREHEARING EXCHANGE REQUIREMENTS. ONLY THE FILING WITH THE HEARING CLERK OF A FULLY**

**EXECUTED CONSENT AGREEMENT AND FINAL ORDER, OR ON AN ORDER OF THE JUDGE, EXCUSES NONCOMPLIANCE WITH FILING DEADLINES.**

The parties are advised **NOT** to include, attach or refer to any terms of settlement offers or agreements in any document submitted to the Presiding Judge, and no copies of Consent Agreements and Final Orders shall be submitted, or attached to any document submitted, to the Presiding Judge except those that are fully executed and filed with the Regional Hearing Clerk.

Prehearing exchange information required by this Order to be sent to the Presiding Judge, as well as any other further pleadings, if sent by mail, shall be addressed as follows:

If any party wishes to receive, by e-mail or by facsimile, an expedited courtesy copy of decisions and substantive orders issued in this proceeding, this party shall submit a request for expedited courtesy copies by letter addressed to Maria Whiting-Beale, Legal Staff Assistant, Office of Administrative Law Judges, U.S. Environmental Protection Agency, Mail Code 1900L, 1200 Pennsylvania Avenue, N.W., Washington, D.C. 20460. The letter shall include the case docket number, the e-mail address or facsimile number to which the copies are to be sent, and a statement as to whether the party requests: (A) expedited courtesy copies of the initial decision and/or any orders on motion for accelerated decision or dismissal, or (B) expedited courtesy copies of all decisions and substantive orders. The undersigned's office will endeavor to comply with such requests, and will send the copies by facsimile, or by e-mail at the office's discretion, but does not guarantee the party's receipt of expedited courtesy copies.

Prior to filing any motion, the moving party is directed to contact the other party or parties to determine whether the other party has any objection to the granting of the relief sought in the motion. The motion shall then state the position of the other party or parties. The mere

consent of the other parties to the relief sought does not assure that the motion will be granted and no reliance should be placed on the granting of an unopposed motion. Furthermore, all motions which do not state that the other party has no objection to the relief sought must be submitted in sufficient time to permit the filing of a response by that party and the issuance of a ruling on the motion, before any relevant deadline set by this or any subsequent order. Sections 22.16(b) and 22.7(c) of the Rules of Practice, 40 C.F.R. §§ 22.16(b) and 22.7(c), allow a fifteen (15) day response period for motions with an additional five (5) days added thereto if the pleading is served by mail. Motions not filed in a timely manner may not be considered.

Furthermore, upon the filing of a motion, a response to a motion, or a reply to a motion, a party may submit a written request for an oral argument on the motion, pursuant to 40 C.F.R. § 22.16(d). Included in the request for oral argument shall be a statement as to the proposed appropriate location(s) for the argument to take place. The Office of Administrative Law Judges recently acquired access to the state of the art videoconferencing capabilities, and strongly encourages the parties to consider utilizing such technology for oral arguments on motions so as to minimize the expenditure of time and monetary resources in connection with such arguments. A request for oral argument may be granted, in the undersigned's discretion, where further clarification and elaboration of arguments would be of assistance in ruling on the motion.

If either party intends to file any dispositive motion regarding liability, such as a motion for accelerated decision or motion to dismiss under 40 C.F.R. § 22.20(a), it shall be filed **within thirty (30) days after the due date for Complainant's Rebuttal Prehearing Exchange.**
