Respondent.

Respondent Spa Performance and Supply, LLC, (Respondent), by and through its attorney, Craig R. Chlarson, hereby submits this Unopposed Motion for Extension of Time. The Administrative Complaint was filed on September 30, 2015, and Respondent's response is due forthwith. However, significant negotiations are under way with the Environmental Protection Agency's (EPA) counsel such that further litigation is unlikely. Thus, this extension is requested so that a resolution may be reached which is satisfactory to all parties. And this motion is unopposed by the EPA.

WHEREFORE, Respondent requests an extension of time up to and including January 28, 2016, to answer or otherwise respond to the Complaint and request a hearing.

Respectfully submitted December 9, 2015.
