Re: Administrative Order Closure
Docket No. SDWA-08-2011-0036
PWS ID # 5601194

Dear Mr. Cox:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order issued to the Wyoming Department of Transportation for the Gooseberry Rest Area Public Water System on April 18, 2011. The EPA has determined that the Wyoming Department of Transportation has complied with the requirements of the Order and therefore we will close it at this time.

Please be aware that the Wyoming Department of Transportation is still required to comply with the National Primary Drinking Water Regulations (Drinking Water Regulations), 40 C.F.R. part 141. Violation of the Drinking Water Regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

Thank you for resolving these issues. If you have any questions regarding this matter, please contact Jill Minter at (303) 312-6084.

Sincerely,

Kimberly Pardue Welch, Team Leader
Drinking Water Enforcement Program
Office of Compliance, Enforcement,
and Environmental Justice
