The parties enter into this Expedited Settlement in order to settle the civil violations described in the Form for a penalty of \$500.00.

Upon signing and returning this Expedited Settlement to EPA, Respondent waives the opportunity for a hearing or appeal pursuant to Section 311 of the Act, and consents to EPA's approval of the Expedited Settlement without further notice.

If Respondent does not sign and return this Expedited Settlement as presented within 30 days of the date of its receipt,

the proposed Expedited Settlement is withdrawn without prejudice to EPA's ability to file any other enforcement action for the violations identified in the Form.

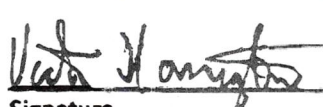

After this Expedited Settlement becomes effective, EPA will take no further action against the Respondent for the violations of the Section 311(b)(3) of the Act described in the Form. However, EPA does not waive any rights to take any enforcement action for any other past, present, or future violations by the Respondent of Section 311(b)(3) of the Act or of any other federal statute or regulation.
