### Statutory and Regulatory Background

5. Congress passed the Residential Lead-Based Paint Hazard Reduction Act of 1992 (the “Act”), 42 U.S.C. §§ 4851 to 4856, to address the need to control exposure to lead-based paint hazards. One of the stated purposes of the Act is to implement a broad program to reduce lead-based paint hazards in the Nation’s housing stock. 42 U.S.C. § 4851a(2). The Act amended TSCA by adding *Title IV—Lead Exposure Reduction*, Sections 401 to 412, 15 U.S.C. §§ 2681 to 2692.

6. Section 402 of TSCA, 15 U.S.C. § 2682, requires that the Administrator of EPA promulgate regulations governing the training and certification of individuals and contractors engaged in lead-based paint activities, including renovation of target housing. Section 406 of TSCA, 15 U.S.C. § 2686, requires that the Administrator of EPA promulgate regulations requiring persons who perform for compensation a renovation of target housing to provide a lead hazard information pamphlet to the owner and occupant prior to commencing the renovation. Section 407 of TSCA, 15 U.S.C. § 2687, requires that the regulations promulgated pursuant to the TSCA include recordkeeping and reporting requirements to insure effective implementation.

7. Pursuant to Section 402(a) of TSCA, 15 U.S.C. § 2682(a), the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart L, *Lead Based Paint Activities*. See Lead; Requirements for Lead-Based Paint Activities in Target Housing and Child-Occupied Facilities, 61 Fed. Reg. 45778, 45813 (Aug. 29, 1996). Pursuant to Section 406(b) and Section 407 of TSCA, 15 U.S.C. § 2686(b) and 2687, the EPA promulgated regulations at 40 C.F.R. Part 745, Subpart E, *Residential Property Renovation*. See Lead; Requirements for Hazard Education Before Renovation of Target Housing, 63 Fed. Reg. 29908, 29919 (June 1, 1998). Finally, pursuant to Section 402(c)(3) of TSCA, 15 U.S.C. § 2682(c)(3), the EPA amended and re-codified regulations at 40 C.F.R. Part 745, Subparts E and L, and added additional regulations at 40 C.F.R. Subpart L (“Renovation, Repair, and Painting Rule”). See Lead; Renovation, Repair, and Painting Program, 73 Fed. Reg. 21692, 21758 (Mar. 31, 2008).

8. The regulations set forth at 40 C.F.R. Subpart E, *Residential Property Renovation*, including the Renovation, Repair, and Painting Rule, require that owners and occupants of target housing and child-occupied facilities receive information on lead-based paint hazards before renovations begin, establish work practice standards for renovations that disturb painted surfaces in target housing and child-occupied facilities and requires that firms and individuals performing, offering, or claiming to perform such renovations are properly trained and obtain EPA certification.

9. The requirements set forth in the regulations at 40 C.F.R. Subpart E, *Residential Property Renovation*, apply to all renovations performed for compensation in target housing and child-occupied facilities, unless otherwise excluded as set forth in 40 C.F.R. § 745.82.

10. The regulation at 40 C.F.R. § 745.83 defines “renovation” as the modification of any existing structure, or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an abatement as defined by 40 C.F.R. § 745.223. The term renovation includes, but is not limited to, the removal, modification, or repair of

painted surfaces or painted components (e.g., modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping, or other such activities that may generate paint dust)); the removal of building components (e.g., walls, ceilings, plumbing, windows); weatherization projects (e.g., cutting holes in painted surfaces to install blown-in insulation or to gain access to attics, planing thresholds to install weather stripping); and interim controls that disturb painted surfaces.

11. Section 401(17) of TSCA, 15 U.S.C. § 2681(17), defines “target housing” as any housing constructed prior to 1978, except housing for the elderly or persons with disabilities or any zero-bedroom dwelling (unless any child who is less than six years of age resides or is expected to reside in such housing).

12. The regulation at 40 C.F.R. § 745.83 defines “firm” as a company, partnership, corporation, sole proprietorship or individual doing business, association, or other business entity; a Federal, State, Tribal, or local government agency; or a nonprofit organization.

13. The regulation at 40 C.F.R. § 745.83 defines “person” as any natural or judicial person including any individual, corporation, partnership, or association; any Indian Tribe, State, or political subdivision thereof; any interstate body; and any department, agency, or instrumentality of the Federal Government.

14. The regulation at 40 C.F.R. § 745.87(a) provides that failure or refusal to comply with any provision of 40 C.F.R. Part 745, Subpart E, is a violation of Section 409 of TSCA, 15 U.S.C. § 2689. Section 409 of TSCA, 15 U.S.C. § 2689, provides that it shall be unlawful for any person to fail to comply with, *inter alia*, any provision of 40 C.F.R. Part 745, Subpart E.

15. Section 16(a) of TSCA, 15 U.S.C. § 2615(a), as amended, and 40 C.F.R. § 745.87(d), authorize a civil penalty of not more than \$37,500 per day for violations of Section 409 of TSCA, 15 U.S.C. § 2689. The Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701, as amended, and the Federal Civil Penalties Inflation Adjustment Act Improvements Act of 2015, 28 U.S.C. § 2461, and implementing regulations at 40 C.F.R. Part 19, increased these statutory maximum penalties to \$39,873 for violations that occur after November 2, 2015, and are assessed after February 6, 2019. Pursuant to Section 16(a)(2)(C), “[t]he Administrator may compromise, modify, or remit, with or without conditions, any civil penalty which may be imposed under this subsection.”
