Re: Administrative Order  
Docket No. SDWA-08-2009-0013  
Thriftway Super Stop Bozeman  
Public Water System  
PWS ID # MT0001259

Dear Mr. Sutey:

Enclosed is an Administrative Order issued by the Environmental Protection Agency (EPA) under the authority of the Safe Drinking Water Act (SDWA), 42 U.S.C. section 300g-3(g). Among other things, the Order describes how the Thriftway Super Stop Bozeman Public Water System has violated the National Primary Drinking Water Regulations.

The Order is effective upon the date received. Please review the Order and within 10 days provide EPA with any information you believe EPA may not have. If you comply with the Order for twelve months, EPA may close the Order without further action. Failure to comply with the Order may lead to substantial civil penalties and/or a Federal court injunction ordering compliance.

You may submit information or request an informal conference with EPA by contacting Eric Finke at the above address or by phone at toll free (866) 457-2690 extension 5026, or (406) 457-5026. For legal questions, the attorney assigned to this matter is Marc Weiner, who can be reached at EPA Region 8, 1595 Wynkoop Street, Denver, CO 80202-1129 (with the mailcode 8ENF-L) or by phone at toll free (800) 227-8917 extension 6913, or (303) 312-6913.

I urge your prompt attention to this matter.

Sincerely,

  
John F. Wardell, Director  
EPA Montana Office
