Re: Termination of Findings of Violation and Order for Compliance
Docket No. CWA-07-2022-0029

Dear Mr. Osterstock:

The Administrative Order for Compliance CWA-07-2022-0029 was issued by the U.S. Environmental Protection Agency to Pilot Travel Centers, LLC under the authority of Section 309(a) of the Clean Water Act, 33 U.S.C. § 1319(a) to address facilities in Iowa, Missouri, and Nebraska. The EPA has reviewed the information submitted by Pilot Travel Centers and determined that the requirements of the Order have been adequately met.

This letter serves as a notification to you that the EPA is terminating the Order. The decision to terminate the Order is conditioned upon the accuracy of representations to the EPA in response to the requirements of the Order. Termination of the Order in no way relieves you of the obligation to comply with all applicable permits, statutes, and regulations. The effect of this termination is limited to the requirements imposed under the Order. The EPA reserves all its authorities, both legal and equitable, under the CWA and any other statutory, regulatory, or common law authorities of the United States.

If you have any questions relating to this termination letter or the above-referenced enforcement action, please contact Erin Kleffner at kleffner.erin@epa.gov, or Natasha Goss, the attorney assigned to this matter, at goss.natasha@epa.gov.

Sincerely,

Alyse Stoy
Acting Director
Enforcement and Compliance Assurance Division
