ORDER GRANTING THIRD EXTENSION
OF TIME TO FILE ANSWER

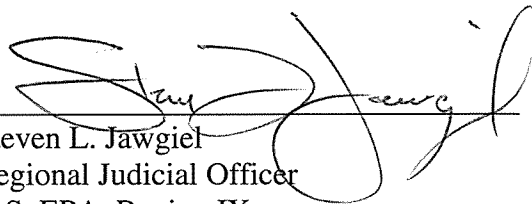

By motion filed by Fusion Windows and Doors, Inc. (Respondent), the parties seek an extension of time, up to and including May 3, 2020, for Respondent to respond to the Complaint in this action. The United States Environmental Protection Agency (Complainant) does not object to Respondent's motion.

Pursuant to The Consolidated Rules of Practice at 40 C.F.R. § 22.07(b), the Presiding Officer may grant a motion for an extension of time to respond to a complaint "for good cause shown, and after consideration of prejudice to other parties." Based on the information in the moving papers and my communications with the parties, I conclude good cause exists for granting Respondent's request for the above-referenced extension. The parties should note, the Presiding Officer will not grant any further extensions in this matter unless all parties first participate in a status conference with the Presiding Officer.

IT IS THEREFORE ORDERED THAT:

The time for Respondent to respond to the Complaint and request a hearing is extended to and including May 3, 2020.

Dated: March 4, 2020
