Re: Desha Road Site – Administrative Settlement Agreement and Order on Consent (EPA Docket No. CERCLA-03-2022-0043DC) – Notice of Completion

Ms. Warner:

We have reviewed the revised Final Report for the Desha Road Site submitted May 10, 2023, and it is approved. Pursuant to Section XXVIII of the Administrative Settlement Agreement and Order on Consent (EPA Docket No. CERCLA-03-2022-0043DC), EPA has determined that all work to be performed under Section VIII of the Settlement has been fully performed in accordance with the Settlement, with the exception of Respondent's failure to comply with the requirements of Paragraph 25 (Progress Reports), as noted in our correspondence dated May 4, 2023.

This Notice of Completion does not diminish, change, or affect any of Respondent's continuing obligations required by the Settlement, including, among others, payment of Future Response Costs (plus any interest owed), payment of stipulated penalties (plus any interest owed), access to information (Section X), record retention (Section XI), dispute resolution (Section XV), covenants by Respondent (Section XX), the provisions on the effect of the Settlement and contribution (Section XXII), indemnification (Section XXIII), and insurance (Section XXIV). This Notice of Completion is subject to all rights expressly reserved by EPA in the Settlement, including, among others, those identified in Section XIX.
