Dear Ms. Whiting-Beale,

I am writing on behalf of the Respondent Golden Leaf Energy, Inc. to inform you that the Respondent elects to participate in the ADR process. Additionally, I have spoken with Jay Przyborski, Attorney for the Complainant, and he has advised me that his client (EPA) likewise elects to participate in the ADR process. Mr. Przyborski advised that he would send you an email stating his clients election to participate in the ADR process. Please advise if any additional information is needed from the Respondent in connection with its election to participate in the ADR process. Thanks.
