**MOTION FOR AN EXTENSION OF TIME
TO RESPOND TO THE COMPLAINT**

Respondent, The Moore Company (Fulflex Division) (“Fulflex”) respectfully moves for the entry of an Order extending the time for Fulflex to answer or otherwise respond to the Complaint up to and including November 21, 2012. The Environmental Protection Agency (“EPA”) has no objection to the requested extension.

In support of this Motion, Fulflex states as follows:

1. The EPA commenced this action on September 18, 2012
2. Fulflex accepted service of the Complaint on September 21, 2012.
3. The deadline for Fulflex to answer or otherwise respond to the Complaint currently is October 21, 2012.
4. This extension is requested so that the parties may attempt to negotiate a settlement of this matter before committing further resources to the litigation of this matter.
5. EPA has no objection to the requested extension of time, namely up to and including November 21, 2012, to answer or otherwise respond to the Complaint.

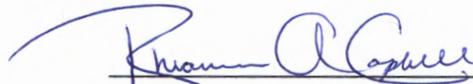

6. Fulflex submits that, given the nature of the relief being requested herein, no memorandum of law is required for this Motion.

WHEREFORE, Fulflex respectfully requests entrance of an Order:

- A. Granting this Motion and extending the deadline for Fulflex to answer or otherwise respond to the Complaint up to and including November 21, 2012; and
