**STATUS REPORT AND JOINT MOTION TO CONTINUE
STAY OF THE PROCEEDINGS**

Enterprise Terminals and Storage, LLC (“Enterprise Terminals”) and Enterprise Products Operating, LLC (“Enterprise Products”) (collectively, “Respondents”) and the United States Environmental Protection Agency, Region 2 (“EPA”) file this Joint Status Report and Joint Motion to Continue Stay of the Proceedings in accordance with this Court’s order of August 30, 2011.

Respondents and EPA (the “Parties”) have continued their good faith efforts to resolve this matter in accordance with the framework they previously developed. The Parties still need additional time to complete their work. Therefore, the Parties jointly request that the stay in this matter be extended until August 15, 2012. The Parties continue to believe that their efforts are likely lead to final settlement if they are provided the requested stay. The request for the stay is not for the purpose of delay but to allow the Parties sufficient time to implement their agreed upon framework for attempting to resolve the matter. The stay would serve the interest of judicial economy.

For the above reasons, the Parties respectfully request that the stay in this matter be continued until August 15, 2012.

Respectfully submitted,

FULBRIGHT & JAWORSKI L.L.P.
